FROM THE CLUB

We welcome players and officials from Blacktown City today in what will be a huge clash for both teams. Traditionally Blacktown City have proved to be a tough hurdle to overcome in the last few years, and we expect no different from today's encounter.

Blacktown City are looking at winning the Premiership while our boys are looking at derailing their hopes with a solid performance in ending the 2017 season off on a high note.

The club was proud to see the team, along with new coach Tomi Vidovic, progress through to the round of 16 of the Westfield FFA Cup with a resounding 7-2 victory over the FNQ Heat and we are now looking forward to our next challenge in what will be a huge match against a former NSL rival in Heidelberg United right here at the very home of Sydney United 58.

We hope you enjoy the afternoon.

Come on UNITED!

MATCH PREVIEW

Sydney United 58 have the chance at ending Blacktown City's Premiership hopes when the two sides go head to head at Sydney United Sports Centre on Sunday.

Seemingly with one hand on the PlayStation®4 National Premier Leagues NSW Men's Premiership all season, Blacktown City's title hopes were thrown into disarray last week after a 1-0 loss to APIA Leichhardt Tigers.

Mark Crittenden's side now rely on APIA losing their final clash of the season, but just as importantly will need to claim victory on the road against their rivals United 58.

Sydney United come into the match off the back of a midweek FFA Cup Round of 32 clash and without Mark Rudan who stepped down as coach last weekend.

Nevertheless, last season's Premiers will be out to get a bit of revenge for their defeat to

Blacktown in last season's grand final.

With so much on the line expect a high tempo game with neither side willing to give an inch.

Manly United FC 3 - Sydney United 58 2 at Cromer Park

A GOAL from substitute Travis Cooper in the 85th minute handed Manly United a memorable 3-2 win against Sydney United 58 FC that all but ended the 2016 Premiers hopes of making the 2017 Finals Series on Sunday afternoon at Cromer Park.

It was the third of three second half goals to guide Manly to an incredible come from behind win despite trailing 2-0 with only 30 minutes left on the clock.

Marco Sama and Dejan Pandurevic struck in a five minute flurry before Cooper scored the winner with only five minutes left on the clock.

Sydney United thought they were coasting to victory when Panny Nikas and Former Manly striker Chris Payne gave them a 2-0 lead but it wasn't to be for Mark Rudan's side.

Blacktown City FC 0 - APIA Leichhardt Tigers FC 1 at Lily's Football Centre

APIA Leichhardt Tigers are only one game away from clinching the PlayStation®4 National Premier Leagues NSW Men's Premiership after defeating league leaders Blacktown City 1-0 at Lily's Football Centre on Sunday.

A 68th minute Jordan Murray goal was the difference as the visitors took advantage of a rare Blacktown defensive lapse.

Both sides appeared fatigued from midweek FFA Cup matches, but Danial Cummins APIA team found a way to secure the three points during a physical and relentless 90 minutes.

APIA now leads the competition by two points ahead of Blacktown City with the Lambert Park side in pole position to secure the title with only a draw against Rockdale City Suns in the final round required.

THE RACE TOWARDS THE PS4 NPL NSW MEN'S FINALS SERIES

What your club needs to do to make the finals of the PlayStation 4 National Premier Leagues NSW Men's competition.

1. APIA LEICHHARDT TIGERS FC

Best Finish: 1st

Worst Finish: 2nd

With the best defence in the league and the best attack, APIA's rise to the summit of the competition table after a vital victory over Blacktown City had an air of inevitability and vindication about it.

The Tigers have one hand on the Premiership trophy heading into the final round of the regular season, and only need a draw against Rockdale at Lambert Park on Sunday afternoon to be officially crowned premiers for 2017.

The incentives for finishing top don't stop there.

APIA will enjoy a week off - a much needed reward after a hectic schedule in the Waratah and Westfield FFA Cup - as well as an all-important second chance in the finals if they can secure victory over Rockdale City Suns in the final round of the season.

Can APIA take out the Premiership something they last won fourteen long seasons ago? The Suns stand in their way of that fate.

2. BLACKTOWN CITY FC

Best Finish: 1st

Worst Finish: 2nd

Having spent a total of 58 days on top of the competition table, more than any other team in the league, Blacktown City's demoralising defeat to APIA on Sunday afternoon may prove to be a defining moment in not just the race for the Premiership trophy, but also the Club Championship.

After Round 21's results, Blacktown City hold a narrow 8-point lead over APIA Leichhardt Tigers in the Club Championship.

Worryingly for Mark Crittenden's men, their form looks to have plummeted at the worst

possible time (excluding their 3-2 heroics in the Westfield FFA Cup Round of 32 knocking off the Central Coast Mariners).

A dismal run of just one point in three games has Blacktown in alarming decline on the eve of the finals.

And it doesn't get any easier in their final match of the season; when they travel to the home of familiar foe, Sydney United 58. The Reds suffered a heart-breaking defeat at the hands of Manly United last round, effectively ending their season, but would undoubtedly love to drive another dagger into the heart of Blacktown City's Premiership aspirations after they lost out to them in the 2016 Grand Final.

In saying that, if there's one team that you should never count out of any calculations on doing the unthinkable its Blacktown City who carry a strong never say die attitude that may well get them across that line once more.

3. ROCKDALE CITY SUNS FC

Best Finish: 3rd

Worst Finish: 4th

Rockdale City Suns hold all the cards in the race for the Premiership trophy.

If they manage to defeat APIA in the final game of the season, it opens the door for Blacktown City to perform a Stephen Bradbury-esque come from behind victory - sealing their second Premiership in just three seasons.

Knowing a victory will secure a third place finish and a vital second chance in the first round of the finals, Rockdale City Suns will not be short of motivation in this fixture at Lambert Park.

Whilst the comfort of a second chance in the finals is on offer for Rockdale if they can beat APIA on the weekend, the perils of a straight knockout fixture looms large if they lose and Manly United beat Hakoah.

Rockdale's final game of the season against APIA appears to be a match of almost innumerable consequences and huge

significance as an enthralling race for both the premiership and top five qualification reaches its climax.

4. MANLY UNITED FC

Best Finish: 3rd

Worst Finish: 5th

If you don't believe in miracles, watch the highlights from Manly United's incredible 3-2-comeback victory against Sydney United 58 on Sunday afternoon.

A victory that not only ensures Manly's qualification for this year's finals, but also brings an end to the top five ambitions of Mark Rudan's team.

Erratic at best in recent weeks, with a deserved win over Blacktown City followed up with a crushing 5-0 defeat at the hands of APIA Leichhardt Tigers, Manly United will be hoping to head into their do or die finals match against either Sydney Olympic or Wollongong Wolves full of confidence.

With Dejan Pandurevic firing on all cylinders and the experienced head of Dylan Macallister leading the line, Manly will be tricky customers in the finals series and could make a run all the way to the Grand Final if they produce their best football.

5. SYDNEY OLYMPIC FC

Best Finish: 4th

Worst Finish: 6th

When Sergio Aguero scored that classic goal to win Manchester City the Premier League title in 2012, he ultimately had goal difference to thank, as his side finished level on points with Sir Alex Ferguson's Manchester United team.

Sydney Olympic, sitting just three points above sixth placed Wollongong Wolves, may be equally thankful for the invention of goal difference come full-time in their match against Sutherland Sharks on the weekend.

Olympic will be short-priced favourites to take all three points against Sutherland, and their 9

point buffer in goal difference over the Wolves may prove a mountain too tall to climb for a desperate Wollongong side.

Having already secured victories over APIA and Manly United this season, Olympic will fancy their chances if they can secure qualification in the finals. Apart from their inexplicable hoodoo against Blacktown City, Olympic have no reason to fear any side in the top five and with Jinya An and Yu Kuboki mercilessly leading their attack, they could prove a real dark horse in this year's finals series.

6. WOLLONGONG WOLVES FC

Best Finish: 5th

Worst Finish: 6th

Clinging to a belief in an unlikely top five qualification like an adolescent child stubbornly refusing to concede the fiction of Santa, Wollongong host Sydney FC in the final round of the competition, needing to overturn a whopping 9 goal differential to have any hope of qualifying for this year's finals series.

Patrick Antelmi has demonstrated his appetite for goals this season and Peter Simonoski has been scoring goals for fun in recent weeks.

But their efforts may not be enough as Wollongong are still reliant on Sutherland snatching an unlikely victory over Olympic for the south-coast team to have any chance of qualification.

MATCH PREVIEW

Sydney United 58 have won five matches in a row but will likely need to make it six against Blacktown City to confirm their participation in the finals series.

The Reds have recovered excellently from a mid-season slump and a significantly bolstered squad makes United 58 championship dark horses, a label that will only intensify should they pass their Blacktown challenge on Sunday.

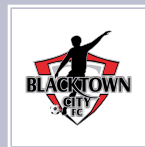

John Carnevale's visitors have tailed off towards the end of the campaign and are now winless in three matches following a 4-1 hammering to APIA Leichhardt last Sunday. City could slide to as low as fifth with a loss and simply cannot afford to be complacent again which makes this fixture a hugely enticing one.
