**W**elcome to WIN STADIUM – The Wolf Den for our Round 2 clash with Rockdale City Suns.

Our boys kicked off our 2018 campaign with a draw last Sunday against Blacktown City and we'll be looking for the full three competition points on offer in today's encounter.

Maximising results at home is crucial in a competition as strong as the NPL NSW Men's 1, so making WIN STADIUM a fortress, like we did last year will go a long way to our mighty Wollongong Wolves Football Club staying in the top part of the table.

Our players love playing on the best ground in the competition and all our opposition teams know they are in for a hell of a tussle whenever they play us at The Wolf Den.

Retention and selective recruitment was a major focus for us in the off season. The Illawarra and South Coast have long been renowned as one of Australia's most fertile junior nurseries when it comes to the development of football players. Many talented and successful footballers have emerged from our region, playing in the A League, representing the Socceroos and carving out lucrative careers overseas. This will continue as more and more kids, boys and girls, learn their love of the game and develop their passion and skills right here across our entire region.

As the major representative pathway for football players in our area the Wollongong Wolves take development of our players as our paramount consideration and understand the important role we play in providing the opportunities for them to take their game to the highest possible level. This is not simply only for our first grade squad but just as importantly for our U20s, our U18s and in fact all our junior and SAP teams from U9s all the way through to our U16s. Our stars of today will be the inspiration and example of our stars of tomorrow.

This season we have 11 members of our first grade squad who were born, bred and developed right here across the Illawarra and South Coast. No other side in our competition can boast such an impressive record.

Club captain Chris Price, Justin Pasfield, Peter Simonoski, Joshua Macdonald, Taylor McDonald, Brendan Griffin, James Baldacchino, Michael Robinson, Steve Hayes and Ethan Kambiosis. Very shortly they will be joined by another locally produced Wolves gun who is very much a crowd favourite.

Complementing our core ground of locals, we have been fortunate to have retained the services of 2017 players James Marcovic and Luke Kairies and further bolstered our talent and depth with the addition of youngsters Michael Stojanovski, Ryan Ensor and Quivi Fowler.

Add to this the leadership, experience and temperament of Nick Montgomery, Yuzo Tashiro and new signing Takuya Nozawa it is no wonder Wollongong Wolves fans are confident about the team's chances for this season.

First Grade coach, Jacob Timpano is to be congratulated for assembling such a quality squad and will have them gelling and playing an attractive brand of football that will have our supporters screaming at the top of their lungs and chanting for more.

At this stage of every season, each team is excited about their chances and believes they will be fighting for much higher honors at season's end. Realistically only 5 teams will progress at the conclusion of the initial competition rounds to qualify for the semi finals and the ultimate accolade, the 2018 premiership crown.

The Wollongong Wolves intend to be right amongst the pack when things start to get serious.

And it continues today against Rockdale City Suns.

Thank you for your support and commitment in attending today's match.

We will continue to pack WIN Stadium – The Wolf Den with the best, most passionate and knowledgeable fans in Australian football.

 **ULTRA FOOTBALL**

The Wollongong Wolves welcome the 2017 NPL Mens 1 semi finalists from Ilinden Park, Rockdale City Suns for their Round 2 encounter this afternoon at WIN Stadium. Today will be the

20th meeting since the first one back in 1987. It was 3-2 Wolves win then with the Wolves' Pat Brodnik, Jock Morlando and Randall Easthorpe and Sun's Paul Darlington and Pat Rodas, being the scorers.

Results have gone either way for the Suns and the Wolves in recent times. Which teams' turn will it be today?

## THE OPPOSITION TODAY – ROCKDALE CITY SUNS

New additions to the team for 2018 that coach Paul Reid have signed include Bai Antoniou from Sydney FC Youth and Michael Neill, ex-Central Coast Mariners and Sydney United.

The Suns since their inception in 1969 have won honours. In the NSW Super League in 2009 the team achieved 46 points from 22 games from 14 wins and 4 draws to win the Premiership of that competition. The team scored and conceded 46 and 22 goals with a goal difference of plus 24. Mile Todorovski coached the team. Players used included Angelo Kosmatos, Paul Dee, Peter Apolevski, Saso Trajceviski, Adem Kir, Cameron Jones, Igor Kotevski, Kurt Crnic, Robert DiMeglio and Askin Oygur amongst others. The club also that year won promotion to the Premier League.

Since 2014, the club has concluded each season in 5th, 6th and 4th and last season in 3rd position. This is a very consistent performance in an upward trajectory and with their new artificial pitch will aid their prospects.

In 2017, Rockdale won its first game in Round 1 and were not defeated until Round 9. Achieving 42 points from 12 wins and 6 draws, the team scored and conceded 42 goals and 28 respectively with a goal difference of plus 14, which was the fourth best in the competition. The percentage of goals scored to games ratio was 1.9 and 1.27 in conceding. The top

scorer was Alec Urosevski with ten goals and nine other players made contributions with goals. Urosevski also scored the quickest goal, which eventuated in the 8th minute in Round 8 Bonnyrigg White Eagles game. The best result sequence without loss was seven matches - win, win, win, draw, win, draw and win Round 1-2, 4-8 (Round 3 was a postponed match) and the team neglected to score on five occasions, which was bettered by five teams. Multi-scorers in a single match were brace achievers Urosevski with three and Jordan Figon with two.

Players that were selected into the 'Team Of The Week' were Urosevski with five selections, followed by Ante Covic (4), Blake Ricciutto (3), Jordan Figon (2), Harris Gaitatzis (1), Daniel Petkovski (1), Alek Canak (1), Patrick Savor (1), Trent McClenehan (1) and Toufic Alameddine (1). Covic, as well, was the joint recipient of the 2017 Mens 1 'Goalkeeper Of The Year' Award. He was also included in the 'Team Of The Year' along with Urosevski and Ricciutto (as a sub.).

## THE MATCH-UP

Since the 2004/05 season in the NSW competition, the two teams have met on seventeen occasions with the Wolves behind in the number of wins and goals, 7 wins to 9 and 17 goals to 24. Rockdale's best score was 3-0 in 2016 with the Wolves best being 4-1 in 2011. The highest number of goal scored in a single match was five, emanating the second round of matches in 2011. The nil scores per team are

4 (WW) and 5 (RCS).

In 2018 after Round 1 the two teams occupy 4th (RCS) and 6th (WW) positions on the points' table after one round.

The top scorer who has one goal is Alex Canak (RCS) and he was scorer of the previous goal coming into this match.

In the previous match the Wolves and Blacktown played a 0-0 draw and Rockdale defeated Sutherland Sharks 1-0.

### PLAYERS TO WATCH

The two experienced former A-League custodians in Ante Covic and Justin Pasfield will anchor each teams between the sticks and will be to the fore in this match. Watch as they fly through the air.

Wolves young midfielder Ryan Ensor stood out last week and will looking to do the same again. The experience Nick Montgomery was also impressive also in Round 1 and his experience will shine through. Rockdale's Canak is a consistent scorer and he will be dangerous.

### BLAST FROM THE PAST

This Round 15 match in 1987 was played at Seymour Shaw Park in Miranda.

The team line-ups were as such -

Rockdale - Ian Barker, Mike Boogard, Jeff Wilson, Bill Pilovski, Darren Wilson, Pat Rodas, Vladimir Torteovski, Lou Dounis, Vince Nastoski, Tony Genovese and Alex Bottalico. Saso Spirovski replaced Genovese with Ilija Takacs being the coach.

Wolves - Warwick Young, Jock Morlando, Scott Dickson, Mike Hollifield, Brian Cokely, Jeff Ainsworth, Pat Brodnik, Peter Kotamanidis, Rade Stefanovski and Randall Easthorpe. Nova Bundalo and Zivko Hristovski substituted for Stefanovski and Kotamanidis respectively.

The Wolves hit the lead when Stefanovski provided a cross in from the right side. The ball hit the ground and bounced off Barker. Brodnik was positioned to take advantage and did so, easily prodding the ball into the goal.

A long Young clearance was subsequently headed by defender Boogard into his own net in the thirty-sixth minute. He was aiming for

goalkeeper Barker, who was positioned out of his goal. Boogard wasn't aware of this, and the custodian watched as the ball sail over the custodian into the goal. This certainly wasn't his day.

The Wolves were looking like early winners. However, in the second half Rockdale attacked with regularity with Young repelling these advances, making many important saves. However, in the seventy-third minute, Markovski delivered the ball to Bottalico who then reduced the arrears. His powerfully struck drive zoomed into the goal. Despite their second dominance, Rockdale could not add to their score and the visitors ran out the winners.

### **SCORES AND SCORERS FROM THE PREVIOUS FIVE LEAGUE MEETINGS**

3. 2016. Wolves 0 defeated by Rockdale 3 (Hristijan Tanoski, Alec Urosevski, Aleksander Canak)
4. 2017. Wolves 2 (Yuzo Tashiro x2) defeated Rockdale City Suns 0
5. 2017. Rockdale City Suns 2 (Aleksander Canak x2) defeated Wolves 1 (Patrick Antelmi)

### **SELECTED REPRESENTATIVE OF BOTH CLUBS - BEN BLAKE**

Blake, a consummate defender, played for Rockdale in 1994 in the NSW Super League making a total of fourteen starting appearances with an additional two off the bench with one goal to his credit. Following on from the Suns, he played for Blacktown City before venturing to Gombak City in Singapore. He was with the Wolves from 1999/00 for three years before leaving for Perth Glory. Without getting game time in the west he was back at the Wolves for three more NSL seasons. He subsequently had a stint with Dandaloo in the IPL in 2006 before two more return seasons at the club, but this time in NSW Premier League. He was the captain of the 2007 and 2008 sides that won the 2007 Tiger Turf Cup (Waratah

Cup) and the 2008 Championship and lead by example. Following a high scoring win over Macarthur Rams during the 2008 season, Blake stated - 'it was a good performance all round. They gifted us a couple of goals but it was pleasing to get our goal difference up.'

Blake was an inspiring captain. He was a consummate defender, good in the air, agile with a fine touch and very effective in tackles, ball control and passing ability.

### **WOLVES' PAST PLAYER OF NOTE - SCOTT DICKSON**

Dickson was a defender who first played for the club in 1983 and played until 1987. He was a member of the Premiership and Championship winning 1987 side, though he was injured and thereby unavailable for the Grand Final. The five year Wolves player played a total of 86 league games with 84 starting appearances and two from the bench, scoring a total of six goals.

Being a solid defender who could provide enticing crosses and defence splitting passes to set up team mates for goal scoring opportunities, such examples were displayed in 1987 when Dickson headed a Rade Stefanovski cross down to Jock Morlando who duly scored in the away match over Newcastle. In another match with Kuringai, both Jeff Ainsworth and Robert Giraldi headed in a Dickson crosses. He was also strong in the tackle.

Dickson scored a total of six league goals with his initial one being scored in 1983, Round 19 on the 24th July at Ziems Park Corral. Four players were involved in the lead-up before Dickson ultimately struck. Later, in the same match he headed down a John Fleming free kick straight to Larry Gaffney, who proceeded to lash the ball home. Dickson's final goal was in 1977 Round 17 encounter with Blacktown City, when he headed home a Zivko Hristovski corner kick in the twelfth minute. In 1985, he was voted the Club's 'Player Of The Year'.

## BALGOWNIE JUNIOR FOOTBALL CLUB

Balgownie Junior Football Club (BJFC) was formed in 1958 and in 2018 celebrates its 60th anniversary.

From humble beginnings founded as a school soccer team, we have grown to a club with 62 teams and 600 players aged from 5 through to 18. The longevity and success of our club is due to the kids that continue to choose to play football, and the long list of volunteers who have, over 60 years, give up their time to ensure that kids get to play football each week.

From our list of volunteers, BJFC has 48 life members who have been recognised for their commitment to our club, and our most recent addition to this distinguished list is Ana Storey.

Ana has been involved with BJFC since 2005 when her children played for the club. Since 2011, when her children stopped playing, Ana has remained committed to volunteering with the Junior Club every week. Every fortnight Ana stays the entire day to also support Australia's longest

running registered soccer club, the Balgownie Rangers, in the afternoon.

Ana has always been involved in running the canteen on match days, but if that wasn't enough, Ana also took on other responsibilities in 2007 with the Ladies Auxiliary, and was an active member with the Clothing Committee and Club/Hall hiring activities. Something that's important to remember, BJFC is a large junior club with most Saturdays seeing between 40-45 matches, and a further 6-10 matches played on a Sunday. A typical weekend would see

more than 600 players from home and away teams, 1200 parents and many many more grandparents, family and friends.

2018 will see Ana's 13th consecutive year on donating her time every weekend to our club. The canteen can be a very popular and busy

place and Ana does an outstanding job every week in making sure every customer walks away happy. Our success and longevity is partly attributed to Ana's contributions. Thank you to Ana and thank you to all the volunteers that keep our club's running.

## WOLVES' HIGHEST SCORING DRAWS

These are the home games that concluded with the Wollongong Wolves and their opponents earning a point each when usually scoring a high number of goals would ensure victory. These games were absorbing affairs for the spectators, as they anxiously willed their team to hold on to their lead or to come up with an equaliser.

### **Game 1. Score 4-4 v Collingwood Warriors, 1996/1997 NSL Season.**

Wollongong went behind at Brandon Park in this Round 26 fixture, when Collingwood's first corner kick was not cleared effectively. As a result, the resultant shot took a wicked deflection and Collingwood was on the scoreboard after fourteen minutes. The Wolves got on equal footing through the goal effort of Scott Chipperfield, whose forceful left footed shot had the desired effect. However, the home team went into the break one goal behind after Collingwood scored once more. A curled shot snuck inside the right hand corner. Noel Spencer then netted for the Wolves, scoring his first goal for the club. The Warriors made it three on the stroke of half time when they scored from a corner once again. Matt Horsley bobbed up to get the third equalising goal in the fifty seventh minute before Collingwood regained the lead for a fourth time sixty seconds later. Sonny Sevin's goal late in the game gave the home team a valuable point, when, during the match it looked decidedly unlikely. The date was 20th April 1997.

Wollongong's line-up was Adam Brodbeck, Sebastian Sinozic, Alvin Ceccoli, Gary Van Egmond, Matthew Horsley, Sonny Sevin, Stephen Laybutt, Sasho Dimoski, Martin Bourke, Scott Chipperfield and Noel Spencer. Antony Surjan, Neil Harlock and Colin Luff replaced Spencer, Dimoski and Laybutt in the 62nd, 68th and 74th minutes. After the match played at Brandon Park, coach Nick Theodorakopoulos said the match was good and bad. This was also the final match for the Collingwood Warriors.

### **Game 2. Score 4 - 4 Versus APIA Leichhardt 2013 NSWPL Season.**

The Wolves got off to a good start at Crehan Park with Ricky Zucco netting after eight minutes. It was a free kick from just outside the centre circle and Zucco's pearly of a goal zoomed into the goal past the hapless goalkeeper. Mitchell Del Turco got the Wolves out by two eleven minutes in, and three minutes following Zucco's effort, when present at the far post he headed downward into the goal a Martinoski corner kick. APIA responded seven minutes later then evened the score with a penalty kick. Two minutes on, Martinoski got on the scorecard himself scoring the Wolves third goal. He, in the second half following good lead up work by Zucco and Del Turco, produced a left foot shot that flew like a missile to bulge the net to take the lead once again. However, APIA got their third to equal and had the wind in their sails. However, two minutes on, Del Turco achieved his brace with his team's fourth strike. A through ball was collected allowing him to be one on one with the goalkeeper and he proceeded to shoot on target past him. The Wolves enjoyed the lead until three minutes from full time when APIA clawed back to restore parity in this 18th April 2013 encounter.

The line-up was Daniel Collison, Jack Keating, Michael Robinson, Jacob Timpano, Sam Chapple, John Martinoski, Mitchell Del Turco, Sam Matthews, Zac MacKenzie, Peter Simonoski, Ricky Zucco, Chris Nathaniel, Joseph Lavalle and Matthew Floro substituted for Timpano, Del Turco and Zucco.

Del Turco stated post match -'It was good to get two goals but a win would have been sweeter...we just died a bit in the last ten minutes.'

### **Game 3. Score 3 - 3 Versus Sydney Olympic 1989/90 NSL Season.**

The team personnel for this Round 17, 19th February 1990 clash included George Bouhoutos, David Ratcliffe, David Skeen, Ray Vlietstra, Zivko Hristovski, Paul McFadden, Jeff

Allport, Danny Crainie, Danny Petkovic, Randall Easthorpe and Pat Brodnik. David Roberts and Derek O'Neill substituted for Allport and Petkovic.

The Wolves drew first blood at Brandon Park when McFadden's shot, from in front of the goalkeeper, skidded into the goal. Thirty-seven minutes later Olympic equalised through the first of a hat trick by Abbas Saad then went ahead. McFadden brought up his brace when he managed to slide the ball into the net. The Wolves went ahead when a Crainie cross from the left side found Brodnik. The custodian just past the hour mark blocked his shot. The ball fell to Easthorpe who duly goaled.

#### **Game 4 Score 3-3 v Adelaide City. 1995/96 NSL Season**

This was a Round 24 match played at Brandon Park against Adelaide City. It was played on the 13th March. Wollongong got off to a super start with Richard Lloyd getting one in the first minute of play. The score remained this way until a flurry of goals came just before half time. Mario Jermen put Wollongong up by two then two minutes later, Adelaide got on the scoresheet with a strike by Damian Mori. After being two up for most of the first half the Wolves were equalled by a Craig Foster effort, after which Mori got his team ahead. In the last three minutes of the game Mineo Bonetig equalled, much to the delight of home fans.

The Wolves team on that day consisted of Brett Hughes, Matthew Dihm, Mike O'Shea, Martin Bourke, Matt Horsley, Angelo Petratos, Lupcho Naumovski, Richard Lloyd, Mario Jermen, Alvin Ceccoli, and Tony Perinch. Stephen Laybutt and Mineo Bonetig replaced Jermen and Bourke in the 74th and 81st minutes. Nick Theodorakopoulos was the coach.

#### **Game 5. Score 3-3 Versus Marconi 2003/04 NSL Season**

Coached by John Turner, the team was Andrew Crews, Borislav Dragas, Adam Hughes, Michael Hawrysiuk, Shane Lyons, Nahuel Arrarte, Stuart Young, Daniel Cummins, Stewart van Bentum, Ben Blake and Chimoabi Nwaogazi,

Jason van Blerk and John Majuroski replaced van Bentum and Nwaogazi in the 56th and 91st minutes.

Wollongong took the lead after two minutes when Stuart Young headed home Nahuel Arrarte's corner kick. This advantage to the Wolves lasted almost to half time when Marconi equalised after confusion in the box. The Wolves went behind in the 52nd minute before the Wolves restored parity again in the 68th minute when Nwaogazi gained possession and passed to Young, who put away his second. Marconi gained the ascendancy once more in the 77th minute. After the Wolves had supplied intense pressure in seeking an equaliser, Marconi succumbed three minutes after scoring. They conceded a corner after good work by Nwaogazi. Young's header from the ensuing corner kick struck the post and rebounded straight to Nwaogazi. He made no mistake. This was played on 19th December 2003 at WIN Stadium.

#### **Game 6. Score 3-3 Versus Perth Glory 1998/99 NSL Season.**

The team for this Round 30 Brandon Park match, consisted of Daniel Beltrame, George Souris, Paul Dimech, Robert Stanton, Matt Horsley, Michael Brooks, Antony Surjan, Sasho Dimoski, Scott Chipperfield, Ray Younis and David Huxley. Esala Masi and Saso Petrovski substituted Dimoski and Younis in the 69th and 82nd minutes. Masi was sent off in the 88th minute. On the 25th April 1999 Younis scored the Wolves first goal eight minutes following Perth's first. He hit a superb volley from barely inside the penalty area in the twentieth minute. Perth went to lead once again, before Dimoski struck two minutes after the interval. Chipperfield got the Wolves ahead with a superb strike before Perth once again equalised with nine minutes from the end, to go home with a share of the spoils.

These games produced between six or eight goals and at the conclusion of each it was 'even now.'
