CLUB WELCOME

A very warm welcome to our Club members and followers on what is a momentous season in our Club's short history. We are extremely thankful to have secured a fantastic home ground for the 2020 NPL season and we hope, with your help, that we can make it a fortress in which no team will come here and enjoy playing.

As recently appointed Technical Director for the Club, it gives me great pleasure to be able to extend a welcome to all of our club patrons and say thank you to the officials at Lambert Park, Football NSW and Football Federation Australia.

I would also like to take time to congratulate First Grade Coach Joe Haywood and the team for what was an excellent season in 2019. For Joe to take the Club all the way from a local community team over 10 years ago to the heights of the NPL is an outstanding achievement that cannot be underestimated. However, that was last year and it is critical that we focus on the new season and the new challenge which is exactly what the players have done. A tremendous amount of effort has been spent on getting this group of players together to represent North Shore Mariners in NPL top tier and they have been working exceptionally hard to ensure that we are not here just to make up the numbers. I look forward to watching our staff and players embrace the challenge that NPL will bring, focus only week to week and aim to finish as high up the table as possible.

As TD of North Shore Mariners, my aim is to ensure that we as a Club are renowned for the quality of programs that we can offer all the way from our pre SAP developmental U6-U8 group through to the SAP, Youth League and NPL spaces. I am determined to ensure that we match the tremendous work on the field with the work off the field in continuing to build our Club's reputation as one that creates players to

go on to represent at the highest level possible. We hope to see an extension of the amount of youth league players being pushed in to our First Grade squad and even beyond in to the Hyundai A-League space and hopefully the National Team set up. Joe has to be credited with work done so far, as we now have numerous players that have come through our ranks representing our NPL squads today, and NSM alumni players currently contracted to A-League Clubs. We will keep enhancing our relationship with our Hyundai A-League parent club Central Coast Mariners and we are proud to present our players a genuine pathway to professional football, as one of only 4 Clubs in the NPL to do so.

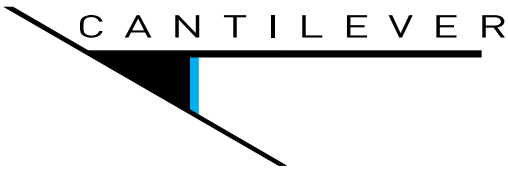

Whilst we know we are still building and our existence in the NPL world has only been relatively short, I personally am loving the challenge in working with all members of our Club in making North Shore Mariners a heavy presence in NSW. Good luck to all North Shore Mariners squads in the 2020 season!

*TEAM LISTINGS SUBJECT TO CHANGE

North Shore Mariners are out to claim back-to-back wins in the NPL NSW for the first time when they host Sydney FC at Lambert Park on Sunday.

The competition new boys have made a brilliant start to their time in the state league top tier with a draw and a win in their opening two games.

A shock upset of Wollongong Wolves last round was proof the Joe Haywood coached outfit is not here just to makeup the numbers.

Panny Nikas had a debut to remember last week scoring an absolute screamer, while Emmanuel Peters has made it two goals in two games and has been the talk of the competition thus far.

Sydney FC had a bit of a reality check last week suffering a 4-0 thrashing against league leaders Marconi Stallions only seven days after opening the season with a shock win against Mt Druitt.

It is back to the drawing board for coach Jim van Weeren who will be determined to avoid an early season slump.

Jordi Swibel and Benjamin Koop showed good form in the opening game and will need to find that level of performance again if they are to win.

Neither side are in this competition to make up the numbers and will be doing everything they can to claim a valuable three points.

Prediction: North Shore Mariners 2 Sydney FC 1

FROM THE COACH

North Shore Mariners (NSM) was created through the evolution of a grassroots football club namely Northbridge FC. The club started in local football in the Northern Suburbs Football Association and has worked itself through the FNSW leagues in a small amount of time. NSM is excited to now be involved with the NPL1 League and is looking forward to the season ahead. The first game in NPL1 sees the club play against Apia Leichhardt, an

established club within the league and last seasons Grand Final winners. NSM will not be fearing anyone though and will be building on its roots that have enabled the club to progress into the division. A young and exciting team has been built and the players and staff have been working hard, a lot of last seasons core team have signed on for the season with some new signings also added to the group.

The first two games have provided the squad with different challenges, ones that we have risen to although a lot of lessons have been learnt. We feel the players are improving each week, and becoming more aware of the style of play, patterns and the movements of each other.

Unfortunately we have also had some set backs with injuries to Centre Back Rainer Smahel (broken foot) and Captain Chris Lindsay (ruptured ankle ligaments). Both will be big misses for the team. These injuries will on the other hand also challenge the squad's depth and provide opportunities for other players.

The U18/20 squads have been playing some good football but unfortunately have not had the results. These will come as the groups develop throughout the season, their main aim is to develop individually and become better football players, pushing for 1st Grade ie. Eddie Caspers (17 yrs) who has started the first two games.

The Sydney FC game will provide a new challenge and we are looking forward to playing them in Round 3.

Joe Haywood - Head Coach

FIRST GRADE REVIEWS

Sutherland Sharks 1 – Rockdale Ilinden 1 at Seymour Shaw Park

A Blake Powell strike in the closing stages has helped Sutherland Sharks fightback to claim a 1-1 draw against Southern Sydney rivals Rockdale Ilinden FC at Seymour Shaw on Saturday.

The result was a solid improvement from the Sharks after their round one drubbing at the hands of Marconi but new coach Nick Dimovski still has plenty to do in a performance which was still lacking at times.

After a scoreless first half, Rockdale thought they had done enough to claim the win when Sam Gulisano fired home from range with only 20 minutes left to play.

However, the Sharks rallied in the closing minutes with Powell finding the equaliser to ensure Sutherland went home with their first competition points of the campaign.

Manly United 0 – Blacktown City FC 1 at Cromer Park

For the second consecutive week, Matthew Lewis proved to be the match winner as his spot kick sealed a hard-fought three points for Blacktown City against Manly United at Cromer Park on Saturday night.

For both sides the result offered a similar story to their season openers last weekend.

Manly often appeared disjointed in the final third and were punished for a momentary lapse of concentration.

On the other hand Mark Crittenden's men excelled defensively, allowing for them to grind out another victory by the narrowest of margins.

Sydney FC 0 – Marconi Stallions 4 at Ilinden Sports Centre

Marconi Stallions have given Sydney FC an early reality check in a dominant 4-0 win at Ilinden Sports Centre on Sunday.

The Young Sky Blues claimed a brilliant upset last week against Mt Druitt Town Rangers, but they were no match for the experienced Stallions who have now made it two wins from as many games.

A brace by Anthony Frangie was bookended by goals from Anthony Costa and Nathan Millgate as Marconi sent a clear signal that they will be one of the teams to beat this season.

The Stallions have now scored eight goals from their opening two matches further cementing their place on top of the NPL NSW ladder.

APIA Leichhardt FC 2 – Sydney Olympic 1 at Lambert Park

A late Chris Payne strike has helped APIA Leichhardt claim their first win of the season edging Sydney Olympic 2-1 at Lambert Park on Sunday.

It was a game of two halves but Payne's finish only three

minutes from full-time proved the difference between the two rivals from Sydney's inner-west.

APIA dominated what was a physical first half of football, taking the lead in the 17th minute through a David D'Apuzzo header.

Olympic hit the pitched refreshed after the break and took control of the second stanza, with Bai Antoniou netting the equalizer in the 60th minute.

The match looked likely to finish in a draw, but as the game came to a close Payne pulled off an 87th minute thriller that saw the home side take all three points.

Wollongong Wolves 2 – North Shore Mariners 3 at Albert Butler Memorial Park

North Shore Mariners secured a dramatic 3-2 victory over reigning National Premier Leagues NSW premiers Wollongong Wolves on Sunday afternoon at Albert Butler Memorial Park.

Mitch Smith's strike in the dying stages helped stun the reigning premiers as the Mariners secured their first win in the state league top flight.

Thomas James got the reigning premiers off to a fast start with a goal in the 12th minute but Panny Nikas, who made his debut with the club after a pre-season injury, curled one in on the cusp of the interval to level the score at the break.

Emmanuel Peters gave the visitors the lead with less than 20 minutes to play but James was on target yet again to have the game seemingly headed for a draw.

But North Shore were to have the final say as Smith found the back of the net with a composed finish in the final seconds to secure the unlikely triumph.

Mt Druitt Town Rangers 0 – Sydney United 58 5 at Popondetta Park

Sydney United 58 have powered to their first win of the NPL NSW thrashing Mt Druitt Town Rangers 5-0 at Popondetta Park on Sunday.

It was a coming out party of sorts for United 58 as they flexed their attacking muscle against an out of sorts Mt Druitt side who slumped to their second loss in as many weeks.

Nearly everything went Sydney United's way in the first half.

A comical own goal from Rangers defender Travis Oughtred opened the scoring before Thomas Manos made a brilliant penalty save to stop Mt Druitt claiming an equaliser.

From then the floodgates opened with goals to Matt Sim, Devante Clut and a brace to Patrick Antelmi wrapped up a very one sided performance and Zeljko Kalac's first win in the NPL NSW as United head coach.

U20 MATCH PREVIEW

We are very excited to be entering the top tier of football in NSW this season and looking forward to the challenges that lie ahead of us.

As a team and a squad we have been working very hard on our style of play and our principles that we want to bring to the league this season, we as a club are very proud of the fact that we were able to promote 8 of last season's youth team squad into the 20s with some having already experienced first team football.

Our goals for the season is to promote as many of our young squad as possible into the first team but also try to pick up as many points as we can by playing a quick free flowing attractive style of football which gave us great success in the 2019 season.

We look forward to taking on Sydney FC this Sunday and hope to exhibit some exciting football.

U18 MATCH PREVIEW

Firstly, congratulations to our senior men's squads for reaching the top tier of men's football in NSW. The time has finally come for us to display some attractive and entertaining football, and prove why we deserve to be here with the very best. In the pre-season our squad produced a lot of hard work and positive results that will make us very competitive for NPL football.

Our main goal was to build team chemistry and I can assure you, as part of the coaching staff, we are very happy with where we are at. The main goal as a club has and always will be to take young talented footballers to the next level, i.e First Grade, National Y-League, and professional competitions. We have had a lot of success in this area with players going through to our affiliate club, Central Coast Mariners. This will be our main measure for this year in our lower men's squads. With that will come a lot of results.

We look forward to Round 3 where we meet for the first time Sydney FC.
