## FROM THE COACH

L A W Y E R S

Welcome to Albert Butler Memorial Park for our round 3 clash against Mt Druitt Town Rangers.

The Rangers are coming off a strong win last week against APIA Leichhardt. We are expecting a tough afternoon and know what we are in for in terms of it being a physical match. We are prepared for that.

Last weeks double header with Wellington Phoenix FC was a great Sunday of football for our club and the region. The only disappointment was we didn't take the full 3 points against Manly Utd FC. We have some fresh faces in the squad and we probably haven't fully gelled in some aspects of how we want to play. But I am confident that cohesion will improve very quickly.

We will be looking for the playing group to press and win the ball back quickly and to move the ball quickly and directly in attack. We have the players in the front third who can create problems for any defence in this league and I am confident they will be on song this afternoon.

Thank you for your support. I hope you enjoy this afternoon and look forward to seeing you at The Fraternity Club after the game.

# MATCH PREVIEW

## v Mt. Druiitt Town Rangers

The team from Popondetta Park, Mt Druiitt Town Rangers are today's opposing team at Butler Park for the Wollongong Wolves in Round 3 of the 2021 NPL NSW Mens 1 and this should be a fascinating fixture. Since 2019, three league games have been played with Mt. Druiitt and the Wolves, having scored two and six goals respectively against each other. The goal per game ratio for both teams is 0.66 and 1.33 respectively.

### THE OPPOSITION TODAY - MT. DRUIITT TOWN RANGERS

For the club's third foray in the Mens 1 division, new coach Stewart Montgomery has recruited former A-League player Tarek Elrich and Japanese duo Takuma Tsujimura and Fumoto Kamada to the fold, together with another former A-League player in Marc Warren from Sutherland Sharks.

One honour the club has attained was qualification for the 2019 FFA Cup Round Of 32 after defeating Banksia Tigers, 2-0, Kirrawee Kangaroos 8-1, Hazlebrook FC 4-1 and Wollongong Wolves 1-0.

The Town Rangers concluded the eleven game Rebooted 2020 season in tenth position having won two games and drawn three draws for a total of nine points. Eleven goals were scored with twenty-two being conceded. The best result sequence was two games, two wins in Rounds 4 and 5. The least impressive was four losses, Rounds 7-10. The best result was 3-1 and the worst 0-5 in Rounds 5 and 9 versus Western Sydney Wanderers and Sydney FC respectively. The top scorer was Jack Stewart with four goals with five players in total getting onto the score sheet. He also was a multiple scorer in a single game, a brace in Round 5 and was the scorer also of the quickest goal, in the third minute of the Round 11 Sydney Olympic match. There were six games where the team failed to score. The team has finished in 7th and 10th positions to date.

### THE MATCH-UP

The two teams have met on four occasions with two in the league and two in the cup. The results were draw and Wolves win in the league in 2019 and a victory each in the cup campaigns of 2015 and 2019. The Wolves are ahead in the goals department scoring eight to five, with the best win

for the Wolves being 4-1 while Mt Druiitt's best in this regard was 1-0.

In the previous round the Wolves drew 1-1 with Manly United and the Town Rangers defeated APIA by three goals to one with Cooper Coskerie John Roberts and Mitchell Smith scoring for the Town Rangers. Taylor McDonald achieved the Wolves' first goal of the season.

The top scorer for each team is McDonald (WW) and John Roberts (MDTR).

The table position that each time occupies is Wolves -11th and Mt Druiitt -3rd.

The teams go into this confrontation with the following results – Mt.Druiitt, draw and win, the Wolves, loss and draw.

### PLAYERS TO WATCH

Mt.Druiitts' speedy striker John Roberts will be out to spoil the Wolves' expectations. He scored four goals last season and will be out to increase this tally in 2020. He is a tricky player who moves swiftly on the ball and has two goals in two rounds so far in 2021.

The Wolves' Hamish Lamberton showed his wares in the previous rounds against Rockdale Ilinden and Manly United after an injury interrupted 2020 season and he was unfortunate not to win a penalty versus Rockdale. He produced a targeted effort on goal versus Manly and is getting closer to hitting the mark. When he shows his form from his Sydney FC days, then he will be impressive for the Wolves.

### BLAST FROM THE PAST

In the sixth round of the competition in 2019 the teams met at WIN Stadium on 14th April. The Wolves team was Justin Pasfield, Taylor McDonald, Nikola Djordjevic, Ben Tosi, Guy Knight, Thomas James, Harry Callahan, Takeru Okada, Nick Littler, James Stojcevski and Lachlan Scott. Darcy Madden, Tory Musumeci and Jordan Nikolovski replaced Callahan, Okada and Scott respectively with Luke Wilkshire the coach. The Aiden Desmond coached Mt Druiitt team comprised of Carlos Saliadarré, Hiten Saloh, Blake Thompson, Luke Clifford, Matthew Clowes, Alex Boyadjian, Fabriccio Fernandez, Ismail Hares, Nick Trimble Lord Darloh and Lachlan Roberts.

Cooper Coskerie Joshua Gould and Matthew Crossley subbed on for Clifford, Boyadjian and Fernandez.

A first meeting in the league for the two teams with the home team having more of the play but their over all profligacy did not assist their cause. Callahan had an early shot and Boyadjian nearly made the break through only for Djordjevic to clear off the line. At the opposite end, James hit the side netting after Okada had provided a pass. At the interval it was still 0-0. Fernandez was providing threat in the second half before a James shot whacked into the cross bar. However, Boyadjian received a pass later that set him on course for the goal. He was through to face Pasfield. The striker then pushed the ball past the custodian into the goal on fifty-three minutes and the visitors had taken the lead. This advantage lasted for twenty-four minutes before Littler arrived in the box in order to connect with a cross. He was impeded for his trouble and a spot kick was awarded. James took the resultant kick, powering the ball into the lower left corner in a strong-minded fashion. Wilshire – ‘when you don’t take your chances in football one

long ball and you conceded a terrible goal like that’. Tosi - ‘on the balance of we should have taken a bit more out of it at home.’ McDonald – ‘unfortunately we could not take the three points that we came to get but credit to them they scrapped well.’

### **SCORES AND SCORERS FROM PREVIOUS LEAGUE MEETINGS**

1. 2019 - Wolves 1 (Thomas James) drew with Mount Druitt 1 (Alex Boyadjian)
2. 2019 - Mt. Druitt 1 (Mirjan Pavlovic) defeated by Wolves 4 (Darcy Madden, Thomas James, Lachlan Scott x2)
3. 2020 - Wollongong Wolves (Takeru Okada) defeated Mt Druitt 0

### **TWO SELECTED TOP SCORERS FOR MT. DRUITT - EMMANUEL GONZALEZ and FABRICCIO FERNANDEZ**

Emmanuel Gonzalez topped his club’s count in the Mens 2 2018 competition with twenty-five goals.

In 2019, Uruguayan striker Fabricio Fernandez scored nine goals to claim the club top scorer’s award with his first goal being attained in the Round 7 Sydney United 58 fixture, in the fifty-third minute.

### **TWO SELECTED TOP SCORERS FOR WOLLONGONG WOLVES - ANTHONY SURJAN and PETER KOTAMANIDIS**

Midfielder Surjan tallied eight goals in the 1998/99 season in his twenty-five appearances with 0.32 goal per game ratio. His initial goal in this season was from the spot in the Round 2 Melbourne Knights game played at Summer Street and he achieved a hat trick against Northern Spirit in Round 22 at Brandon Park

In 1984, midfielder Kotamanidis scored his first goal of this campaign in Round 6 at Dapto Showground when he scored in the eighty-sixth minute. He totalled eight goals from twenty-eight games at a goal per game ratio of 0.28.

### VAN ELIA

Elia is a former Corrimal Rangers and former New Zealand under 20 player. He scored the goal for Corrimal that help progress his club to the Illawarra Grand Final. He made his debut versus Rockdale for the Wolves in Mens 1 and acquitted himself well in a beaten team. He showed his good touch versus Manly when he entered the field on the hour.

### LEROY JENNINGS

A player who has come to the Wolves from Blacktown City is Leroy Jennings. He is a very competent goal scorer, who scored four in total in the Rebooted 2020 campaign and another four in the previous season, with a hat trick coming in Round 9 2020 over Sydney United 58. His other goal was a powerful left footed strike from thirty metres out that zoomed into the opponent's goal to earn his team a draw in the eighty-seventh minutes versus Sydney FC. Against Manly, he produced a shot on target after bringing the ball forward, eluding a couple of opposition players on the way. He was not far away from converting and will add to his tally as the season progresses.

### JOE LAVALLE

Midfielder Lavalley has come onto the field twice as substitute in the first two rounds of the 2021 NPL NSW Mens 1 competition and showed his mettle.

### FLETCHER MCFARLANE

'Guardian' involves the top ten of Wollongong Wolves custodians who achieved the highest number of league games as they prowled their domains in order to shut out opposing strikers. As with all players, odd mistakes sometimes creep in on occasions but this certainly does not detract from the record of these impressive shot stoppers. Two of these goalkeepers played their games in both the National Soccer League and in the NSW Premier League, six in only the N.S.L. with two in the NSW P.L. These top ten of custodians will be named in reverse order.

At number ten is a shot stopper with a Grand Final winning appearance to his name in his thirty-eight appearances emanating from his two seasons in keeping his Wolves' domain in check (2000/01 and 2001/02.) Signed from Carlton, this custodian was Dean Anastasiadis and he had five league clean sheets in his two seasons. In the 2000/01 Grand Final he was equal to the task when South Melbourne's Con Boutsianos' corner kick from the right side was curled in. Anastasidis confidently rose and pushed the ball away out of harm's way in the nineteenth minute and got down well at his right post to turn away another Boutsianos threat later. It was a long clearance up field by the custodian on fifty-six minutes that put his team on the attack before Sasho Petrovski scored the first goal. A flying leap to keep out a powerful Steve Panopoulos drive with his fingertips in the second half as South Melbourne pressed exemplified his tremendous ability. From the Wolves, Dean Anastasidis went to South Melbourne and has been goalkeeper coach at Melbourne Victory in later years. In his time he achieved the club's 'Player Of The Year' Award. Dean Anastasiadis is a club Champion.

The next in line was a former Blacktown City player who came to the club for two seasons of the NSW Premier League in 2010 and 2011. In 2011, he was elevated to the captaincy and achieved seven clean sheets in his stint. This shot stopper was Brody Crane. Crane was extremely agile and as well as guarding his domain, he acted as a sweeper in addition with his quick acceleration. He could get down quickly and he showed this in saving a penalty kick in 2010 versus Bankstown Lions to thwart Zlatko Josevski. Following the

Round 14 APIA Leichhardt game in 2011 Round 14, Crane stated post match - 'with the way we play, I need to sweep the back four quite a lot. On each occasion I found that I was able to get there just in time, otherwise I would be trouble'. During this match he displayed his close contact ball skills when he dribbled around APIA's Wandi Jajaw. He saved with a fully stretched save and read the play well. In 2011 he made the Football NSW All Stars team with his consistent displays throughout the season. He returned to Blacktown City following his Wolves' sojourn. Since his playing days, Brody Crane has been a goalkeeping coach at Western Sydney Wanderers with Youth team and assistant goalkeeper coach at Sydney FC together with the FFA U17 Australian team. Brody Crane was an unique goalkeeper.

With forty-six appearances in two NSL seasons (2002/03 and 2003/04), and eight clean sheets, Andrew Crews patrolled his area in a diligent manner. He has showed his skills with his quick decision-making, has a keen eye, takes the impact of shots with strong hands and can cover ground quickly. These following examples highlight his skills. In his penultimate game against Brisbane Strikers at Perry Park, Crews was in fine form. He denied a Dave Pilic free kick with a fully stretched save with his fingertips. In the thirty-fifth minute, Striker Warren Moon turned and shot. Crews was quick to react and saved it with precision. Crews in the Round 23 Perth Glory game, made a saving effort from Mark Byrnes to push the ball around the far post. The custodian showed his anticipatory powers when after smashing the ball into the face of Bobby Despotovski, he had to react rapidly and succinctly to deny the followed up rebound. Altogether, Crews played seven seasons in NSL with Sydney United and Parramatta Power before signing with the Wolves. Andrew Crews did not play professionally after leaving the Wolves and is now in the financial services industry.

This guardian was between the sticks from the first Wollongong Wolves game in 1981 and he stayed until 1983 amassing forty-seven appearances. He came from Newcastle KB United to the Wolves. Making his debut at Wollongong Showground against Sydney Olympic on 15th February 1981, was Scotsmen Jim Preston and also he played

in two Final Series play-off match in 1982. He commanded and prowled his area with steel and aplomb. In Round 1 versus Sydney Olympic, on a rain-affected pitch, Preston was to the fore to thwart both Mark Koussas and Graham Jennings, two renowned attackers. Against Marconi in Round 15, Preston was extremely safe in keeping pile drivers from Tony Henderson from breaching his domain with complete grasps of the ball. In the 1983 Round 30 Brisbane City match, Preston got down in the nick of time to keep the ball from a Angelo Falco downward header from sneaking in. Earlier in 1982 win over Adelaide City Preston lead the team out as captain and he made a fine reflex save to deny Peter Rankin's header. In the 1992 Final series Preston was kept busy by St.George but try as he might, he could not prevent the outcome but the team did well to make the final playoffs for the first time and Preston had a big hand in this qualification. Jim Preston was the first.

The custodian, who has racked up fifty-one league appearances between the posts in the NSW Premier League, played in three seasons from 2012 to 2014 and again in 2016, together with a Final Series play-off. This was Daniel Collison, who came to the club from the Illawarra Premier League club, Dapto. Collison showed his class when in the 2012 NSW Elimination Final, he got down to stop Blacktown City striker Travis Major's penalty shot with his first contact and grabbed the ball at his second attempt. Collison in the Finals nearly scored with a header as the Wolves threw everyone forward in an attempt for a late equaliser. Earlier in the season, he also saved Andrew Bevin's penalty for APIA in Round 10 in the sodden conditions and against Marconi's Nahuel Arrarte in Round 18 two minutes in. His responses were quick and acute and these were some of his attributes. Following the Marconi clash he stated - 'It was a busy night for me.... I'm happy with my form at the moment.' Collison was brave in coming for balls as he showed in his second match versus Manly United FC in Round 2 2012. He dived at the bootlaces of Scott Balderson to see off the danger. He stated in my post match interview - 'I had a reasonable game. It's always good to get a clean sheet.' He had safe hands and had fast reactions and was not reticent in coming for high balls and threats, as he

showed when he palmed away a Matthew Mayora header against Sydney Olympic in Round 19. At Illinden Sports Centre in 2013 against Rockdale City Suns, Collison was to the fore in keeping a clean sheet and denied Richard Cardozo's shot with a top save. He displayed that he could rise to the occasion and to produce the goods when required. 'Unbelievable win for the boys.... It was really good to get the first clean sheet since the last round last year. It was a bit of monkey off my back. We have been unlucky....' In 2014's rainy match at Illinden Park he adjudged crosses and corner kicks with perfect positioning and a good leaping ability as he palmed away a Sean Symons rocketed shot and later got down and spread himself perfectly to thwart Nick Taneski's attempt and denied him again with a diving save. 'The wet weather was atrocious but we had our fair chances in the second half but unfortunately could not jag a goal at the end. ...It was good to keep the boys in the game at certain stages.' Collison was the Wolves captain in two matches in the 2016 FFA Cup games against Kemblawarra Fury and Wagga Wagga Wanderers. 'It was a good experience leading the boys out tonight... I was happy with the clean sheet.' The custodian was also to the fore in 2004 FFA Cup

Round Of 32 versus Central Coast Mariners and he bravely dived at the feet of Nick Fitzgerald to keep his domain in check in one instance. He relocated to Victoria and played with Geelong SC in Victoria's NPL 2 before signing for Altona Magic in the Mens 1 competition in 2019. Daniel Collison was a young standout.

The next shot stopper was the one who kept out two Perth Glory penalty takers in a Grand Final Shoot Out as well as scoring a penalty himself to ultimately to become a Championship winner. He tallied fifty-six league appearances and played for two seasons from 1998/99 to 1999/2000 and Les Pogliacomì was this custodian at number five. The six foot five custodian with a good reach made his name at the Wolves with his penalty saving exploits in the 1999/00 Grand Final versus Perth Glory showing heightened agility and an excellent reading of the play. He showed his power kicks when he converted from the spot. Against South Melbourne in Round 15 at Bob Jane Stadium, in the 1-1 draw both teams scored penalties and Vaughn Coveny received a Michael Curija cross. This put him one on one with Pogliacomì. The custodian showed impeccable foresight to get down and thwart the striker's ambition and win out in the duel. With his height, he was very adept and confident with high balls and could also get down quickly when required to smother shots and the like. In the previous season's Round 22 Northern Spirit clash, Pogliacomì tangled with Robbie Slater and was injured in the process. He stayed on with less mobility but he showed tenacity and fortitude to catch many of the efforts that the Spirits strikers could conjure up. Earlier In Round 14, Pogliacomì made a grand save from Sydney Olympic's Jason Culina. Pogliacomì's previous club before signing with the Wolves was Marconi and following on he played with Parramatta Power, Oldham Athletic, Blackpool and Oldham Athletic again, before returning to his home city Adelaide. Here he played for Campbelltown City in SA Premier League and retired after losing in 2013 in the FFA NPL Finals encounter with South Hobart. Pogliacomì was named the club's Player Of The Year and won the SAPL 'Goalkeeper Of The Year' Award in addition for that 2013 season. Les Pogliacomì will forever remembered for those shot-out antics.

Another goalkeeper with a distinct height advantage who began his career in 1981 and

completed his sixty-six League match stint in 1985 with an eleven clean sheet record was Natch Vardareff. In his final season, six appearances was his tally. He made his debut as a substitute coming on for Jim Preston in Round 7 in 1981 and in his first start versus West Adelaide in he subsequent match, he kept his first clean sheet. He was adept at collecting the ball safely from shots, crosses and corner kicks and pushing the ball away when the situation demanded. At Ziem's Park in 1983, Vardareff, made a match defining save to deny St.George player Mark Barton's angled shot in Round 15. At the Wollongong Showground versus Adelaide City the custodian was instrumental in keeping the attack minded black and whites to one goal with a number of impressive saves to sure up the victory. In 1982, South Melbourne kept up the pressure, which kept Vardareff hopping even though he had kept them out in the first half with a good display. Vardareff against APIA thwarted a Marshall Soper drive with safe hands in Round 4 in 1982. He also earned the plaudits versus St.George for all game display in Round 10 after the team coughed up a two-goal lead to draw. In the 1985 Sydney City match Vardareff pushed a Graeme Fletcher header over the bar to save what

---

looked liked to be a certain goal to keep the score blowing out any further at Wentworth Park in Round 3 He was resolute in his area. Natch Vadareff certainly made his mark.

With a Premiership double winner and a Championship winner who attained eighty-seven league games and achieved a high tally of clean sheets, eleven in the NSL and eight in the NSW PL with a combined tally of nineteen, is none other than Warwick Young. He was at the Wolves for four seasons in the 1986, 1987, 1988 and 1989 seasons after coming from St. George. Young, as a custodian could cover in the box rapidly and was quick with his decision-making. He was fearless in his actions and his positioning was first class. He intercepted imperceptibly an attacking move by the Canterbury-Marrickville strikers in 1987 Round 18. His subsequent long clearing kick then led to a goal. In the Grand Final, he showed his alertness and nimbleness when Canberra's Julio Magallanes produced a powerful shot. Young produced a superlative touch, diving low to his left to deny the striker and keep his team ahead. Young was ever present in goal during this 1987 season, which was a testament to his consistency and superb form. Young's number of clean sheets showed his skill and in the mud at Brandon Park versus Preston Makedonia, this shot stopper kept the opposition at bay in trying conditions of heavy rain in Round 2 in 1988. Another huge clearance of his lead to a goal in the Round 8 Sunshine George Cross fixture. In the 1989 match with Sydney Olympic Young, in scant time, had to be watchful as two shots burst in on his domain from Marshall Soper and Mike McGarry, which he thwarted in quick time. Earlier in the APL Round 1 Young displayed his splendid blocking ability when he kept out Pedro Ricoy's blasted shot. Young exited the club following his stint in 1989 and appeared with Wollongong Macedonia in 1990/91 season. Young received the club's 'Player Of The Year' award in the 1988 season. Warwick Young was a winner.

This custodian began his career as a first team player in the 2001/02 NSL season and has played three stints at the club. He has been captain of the team. Making one hundred and three League performances up to R2 2020, Justin Pasfield has been consistently impressive, especially in the 2019 team that took all before them in the Mens 1 League leading the competition for all twenty-two rounds

and concluding the campaign nine points ahead the rest. He is a goalkeeper who adjudges high balls with precision, never shirks the battle and is brave going at the feet of players in 50-50 chances when actions are called for. He shows agility and his distribution is penetrative and his punches out and well judged. In the 2008 Grand Final match-up with Sutherland Sharks Pasfield got down to effectively block Matthew Hall's attacking move. Earlier in the season versus Blacktown City in Round 20, Pasfield reacted quickly to punch out Daniel Wilkinson's cross that was whipped in and palmed the ball away successfully as James Monie's close range header for Bankstown City Lions in Round 8 looked to cause damage. During this season Pasfield missed some matches due to commitments with a National team with Michael Turnbull being signed in the interim. Pasfield returned in 2016 to make twenty league appearances. Very early in his return match with Hakoah Sydney City East being the opponents, Pasfield again displayed his punch out ability when he dealt with a Lee Jones free kick three minutes in. Later in the match with Kevin Lopes being in a one-on-one situation, Pasfield dived to smother the striker's intent. Against Rockdale City Suns at WIN Stadium in Round 14, the Wolves succumbed to a ten man opposition though Pasfield's fingertips kept Paul Reid's powerful shot out and seconds later showed his concentration and quick reactions when he punched out Toufic Alameddine's corner kick. He stated post match - 'I think that kind of kills us every time they go down a man.... We did not really create much... There's no need to foul (close to goal)... I look at my game as I always do. Maybe I could have done better.' In an FFA Cup with Sydney FC, Pasfield was in fine fettle to deny Milos Ninkovic's spot kick effort and got down later, perceptibly to deny Brandon O'Neill. In 2017's Round 3 Manly United fixture, the Wolves custodian blocked Dylan Macalister's shot in an effective manner and later reacted quickly to keep out the same player's point blank header. Further to his slick movements, he scooted out to frustrate Hakoah Sydney City East's Jack Green. In Round 12, he again advanced rapidly from his line as Parramatta's Gosue Sama strode forward. Pasfield was resolute in his approach and managed to put Sama off and save his attempt. Sydney Olympic's Radovan Pavicevic also in the following game zipped in to intercept a back pass. His subsequent shot, as Pasfield skilfully narrowed the angle,

went wide. In the Round 17 Sydney United 58 victory, Pasfield was at his consummate best as he impeded many of United's efforts and with a huge clearing kick set nearly set up a goal chance, which was ultimately squandered. In rapid succession, attempts by Chris Payne and Yianni Perkatis failed to breach Pasfield's goal as the 'keeper was in control to claim a clean sheet. Post match he stated, 'Yes it was good for the self-esteem....We did well today and the boys stuck in..... A bit of luck went our way but you have to make your own luck.... a clean sheet at home is what we try to achieve.' In the final round of 2018, Pasfield was quick off the blocks to beat Marconi's Sean Rooney to the ball and in this game was immense with his efforts. In my post match interview at Marconi Stadium, the custodian stated - 'it hurts a little to come to the end of the season when we probably played our best..... It was nice way to finish, a clean sheet and three goals... To finish with some respect and it is a good way to send off Luke Wilkshire.' Earlier in the season, he thrust the ball to safety off Blacktown's Conor Evans shot in Round 1 and in the Round 15 Sutherland Sharks J.J. Kelly Park match at Coniston in cold and blustery conditions, Pasfield adapted to grasp a Lachlan Everett effort in one saving incident. ... 'We made it hard for ourselves.. I don't like the wind.....' Against APIA, Pasfield achieved a stunning save as he kept out a Jordan Murray. Later in the match he kept Tasuku Sekiya at bay with

precision. A 'Players Player Of The Year Award' was bestowed upon the shot stopper for his great record of consistency and due diligence.

With the team led by Pasfield leading the points table throughout 2019, in the Round 9 Blacktown City game he repelled all Blacktown had to offer through Joey Gibbs, Leroy Jennings and William Mutch in keeping his goal in tact with a superb display of catching, positioning and distribution. Following the 2019 Round 21 Rockdale City match when the team had achieved the Premiership one match early - 'We have worked hard to this point.... We are the best team....it is a very proud moment to lead the boys.' Pasfield took care of a Panni Nikas long distance threat under pressure but kept his composure and concentration.

In the 2019 FFA NPL Final's run of three matches, Pasfield displayed a consummate level as he went low to deter Canberra Olympic's Kofi Danning strike, did so again to keep out a Perth S.C. player Michael Domfeh's threat, and thwarted Lions F.C free kick specialist Andy Thompson from taking advantage by catching and then subsequently in quick time setting his team back on the offensive with clever and accurate delivery. These examples are just three from those encounters.

Pasfield was the club 'Player Of The Year' in 2017 and he has won team honours being the custodian in winning the NSW Premier League Grand Final and an FFA NPL Cup Final in 2008 and 2019 respectively. Justin Pasfield prowled his line

With an all-up tally of sixteen seasons in the NSL with six different clubs, this shot stopper came to the Wolves from APIA Leichhardt. At the Wolves, he achieved thirty clean sheets from one hundred and forty-one appearances and in addition, assisted his team to play in a number of Finals Series play-offs. His debut season was in the 1992/93 season and his first match was in Round 7 replacing John Filan. In the Round 10 Marconi fixture, Brett Hughes was on song to thwart strong efforts from Kimon Taliadoris and Steve Corica. Five rounds later, he proved his class when he got the better of Newcastle Breaker's Brad Maloney on his two scoring situations. In the draw with Morwell Falcons in Round 16, as the Falcons looked for a winner, Hughes denied Sasha Becvinovski with an excellent save and won an aerial duel with the same player not long afterwards. Hughes displayed his diving

ability to disappoint Melbourne CSC's Vaughan Coveny from celebrating. In the final Round 26, the custodian repelled South Melbourne's Peter Tsolakakis with a tremendous effort. Brunswick Pumas defeated the Wolves earlier in Round 14 though Hughes was able to keep the score down with two saves from Ross Aloisi and Steve Smith that looked promising.

The following season saw Hughes using his reflexes to great effect, when in the Round 23 Sydney Olympic win, he instituted three saves in the second half, while in the first half, he was able to repel Andrew Bernal's shot from a corner kick with a superlative save. With quick reactions, he fended off a Mark Viduka header against Melbourne Knights earlier in Round 21. In the prior Round 1 versus Newcastle Breakers, Hughes kept at bay a strong Warren Spink shot, while in Round a 'man of the match' effort saw him making three vital match winning saves to keep a clean sheet against Parramatta Eagles in Round 4.

A reflex save to deny West Adelaide's Cyrille Ndongo-Keller assisted his team to a win and a clean sheet in the Round 5 fixture in the 1994/95 season. He was at his very best thwarting Mark Viduka, Danny Tiatto and Andrew Marth in a 'man of the match' performance in the Round 14 at Somers Street. Being fully stretched, Hughes warded off in spectacular fashion Sydney United player Ante Moric's strike from thirty metres that rocketed in to his domain in Round 20.

Francis Awaretife for Marconi in season 1995/96 provided a challenge for Hughes in Round 7. The shot stopper managed to accurately block the shot and was in tune to turn the second effort around for a corner kick. His fingertips guided the Glenn Moore's blistering effort for Newcastle Breakers the Round 10 clash on to the cross bar while five rounds later, he was practically the only one to prevent total carnage in Sydney United's 3-0 victory. West Adelaide produced the goods in Round 19 and Hughes stood out for his team by tipping a Cyrille Ndongo-Keller close range header instinctively over the bar and prior in the game, he denied the Cameroon international striker bravely from point blank range. Being in a beaten team, Hughes still won the plaudits by repelling Marconi's Brad Maloney from close in, by diving low and pushing the ball over the goal amongst other critical saves. Melbourne Knights in Round 22 saw Hughes

playing a blinder, as he kept out six outstanding saves, many shots from the feet of Tom Pondeljak in his team's quest to force a draw. Quick reaction saves denied Esala Masi from Morwell Falcons and earlier he dived at the bootlaces of Michael Reda to keep him scoreless in addition.

In his sixth and final season (1996/97) the custodian gained widespread approval to display that his best days were not behind him when he was vigilant to the threat provided by Abbas Saad's glancing header for Sydney Olympic. Hughes made a fully stretched rescue for his team. Later in the contest, Saad was one on one with Hughes. His one handed effort was enough to keep the striker from converting. A late close range header from Milan Blagojevic was palmed onto the cross bar to keep the game at even Stevens. In Adelaide Hughes resisted everything that Kosta Salapatsidis, Michael Brooks and Bradley Hassell could conjure up for City. Hughes won his two accolades for the Wolves 'Player Of The Year' for his consistent displays in seasons 1993/94 and 1995/96. He was also in the team that won the 1997 waratah Cup beating Bankstown city Lions 5-2 and in an early Lions foray, Hughes was instrumental in averting the Lions from gaining an upper hand by making a fine save from a Saso Boskoski free kick. His final season was in the 1997/98 one and his final match for the red and whites was at Brandon Park on 28th April 1996 in the unfortunate 2-1 loss to Melbourne Knights. Following on were stints at Marconi, Sydney United and Sydney Olympic. Brett Hughes was a colossus for the club.

Three of these above named goalkeepers have been involved in their careers with the Wolves goalkeeping coach, John Krajnovic, with these being Crane, Collison and Pasfield. The custodians have certainly reaped the benefits of Krajnovic's experience and training that this coach has provided.

A guardian is defined as one who protects or defends something. Indeed, Brett Hughes, Justin Pasfield, Warwick Young, Natch Vardareff, Les Pogliacomi, Daniel Collison, Jim Preston, Andrew Crews, Brody Crane and Dean Anastasiadis are Wolves' guardians of the highest order and the longest stints in their protection of their goal domain.
