ACKNOWLEDGEMENTS

Australia's most famous football Club

Australia's most famous football club ...

The Club that has had the most Socceroos, National team players, and Socceroo Captains, of any other Club, in the nation - ever.

APIA is officially, the highest ranked National Premier League 1 Club, in the Country.

The 1987, Championship National League, all conquering, winning APIA squad, all of which today, are legends of the game, and remain the Invincibles, of Australian Football history, a feat that is unlikely to be surpassed, in our lifetime.

A 33-year extraordinary record, that remains intact until this day with the longest unbeaten streak, in a National Competition, proper.

The Club that has produced Australia's, greatest ever footballer, Joe Marston, the very first Australian to play in a FA Cup Final, the first Australian to play professionally in the top tier, being the English Premier League.

The A-League, Grand Final, Player Of The Match, is awarded and named after, in honour of Joe Marston, annually.

The Club that has had the most players signed, scouted, and recruited, from any National Premier League Club, in Australia - in essence APIA Leichhardt Tigers, has produced the most players to be acquired and signed into the A-League, since the A-League's memorable, inception.

First-ever Club, in 2019 / 2020 to be the Number 1 Club, in all sections: Men's National Premier League 1, Women and Girls Premier League 1, Boys Youth League, and Skills Acquisition Program. This feat is unlikely to be ever repeated, and again, we humbly suggest, in our lifetime.

We are heading towards A-League status, and there is no doubt, that the Club, will establish ourselves, and raise to the very top, and the pinnacle of Australian Football, and eventually cement itself, and be ingrained and entrenched, in the highest Football competition in our World-famous Country - Australia's A-League Football Competition.

Lambert Park, has for the past 66 years, been a facility, for everyone.

Elevated pitch a southern-hemisphere first

PHIL ROTHFIELD | STADIUMS

ONE of Australia's most famous soccer clubs is lobbying state and federal governments for \$35 million in funding to build a boutique stadium in Sydney inner west.

It would be the first of its kind in the southern hemisphere in that architects have designed the complex with training fields on ground level and the main synthetic-grass pitch to be built on mega-concrete pylons.

The existing playing surface at Lambert Park in Leichhardt would become four international-standard playing courts underneath the new playing field for basketball, indoor cricket and other sports. The existing

Plans for Apia Leichhardt's new stadium at Lambert Park with training fields on ground level and the main synthetic-grass pitch to be built on mega-concrete pylons.

surface is already bigger than all European soccer clubs and is the most utilised sporting facility in the inner west.

It is interesting that Apia Leichhardt is sponsored by Wests Ashfield, the majority shareholder of Wests Tigers in the NRL.

If approved, the stadium and complex would no doubt

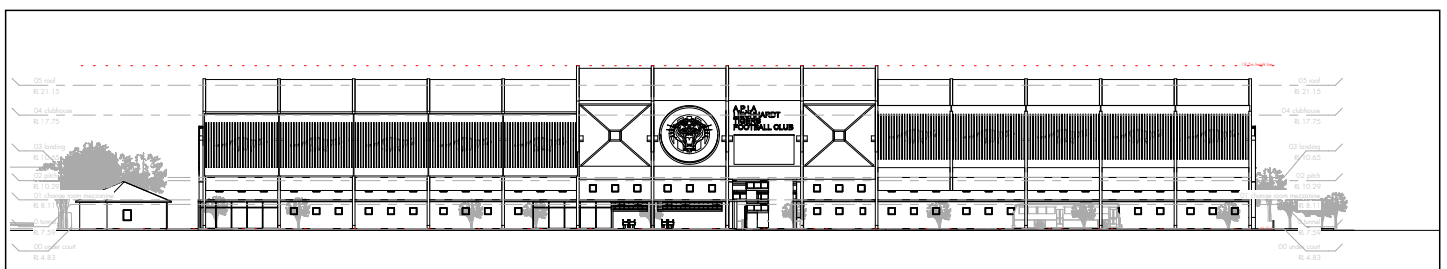

attract huge interest from the NRL in its own lobbying of the government to build bigger multi-purpose boutique stadiums and high-performance facilities in suburban areas.

Apia Leichhardt plays in the National Premier League, the competition below the A-League. The club has produced more Socceroos than any

other in Australia including former World Cup skipper Peter Wilson.

The new stadium would have 6000 grandstand seats and hold a crowd of almost 10,000.

Apia is attempting to break the NPL attendance record next Sunday when it hosts traditional rivals Sydney Olympic at the venue.

FROM THE COACH

A Message from APIA'S Head Coach - Paul Dee

An important clash this week against Rockdale, who are in the Top 5, and one of the teams vying for finals football.

Rockdale are always a challenging opponent, and despite some mixed recent form, I would expect nothing different this weekend. With well-known players all across the park, Rockdale play a positive brand of possession-based football and will be looking to attack in numbers whilst concentrating on staying compact in defence and be tough for us to break down.

Despite the recent loss of Kyle Cimenti to A-League Club Macarthur FC, Rockdale have bolstered their squad with Jordon Figon returning so have lost no potency in attack.

Rockdale are, however, coming off a challenging week with a clash against competition leaders in Blacktown, followed by a tough away game at Mt Druitt in the FFA Cup qualification match.

Our squad, unfortunately, is coming off a disappointing 2-1 away loss to Manly United. Despite being competitive throughout that match, and both teams pushing hard for the victory, we conceded a goal in the last minute of the game, courtesy of a well-executed free kick from Manly.

That result leaves us currently just outside the coveted Top 5 position, and as a squad we will remain focussed on our performances every match to give ourselves the best opportunity to break back in and play finals football.

In squad news this week, we are hoping that impacts felt from the recent list of injuries eases a little, and we have more players available for selection again with the likes of Paul Galimi, Themba Muata-Marlow and Sean Symons potentially making a return.

Ensuring all players get through the week of training and pass assessments prior to match day will be critical and, ideally, the coaching staff have some selection headaches to consider before the final line up for Rockdale is announced.

Considering the current congestion on the competition ladder around the base of the top 5, we have the opportunity to draw level with Rockdale on points if we secure victory. That opportunity is definitely something that the squad is aware of and a key driver of motivation for planning and game plan execution this week.

MATCH PREVIEW

APIA Leichhardt will be desperate to keep their top five hopes alive with a win against Rockdale Ilinden at Lambert Park on Sunday.

APIA was stunned by a late goal in a 2-1 defeat at the hands of Manly United last week which put a major dent in the finals aspirations.

Now three points behind fifth-placed Sydney Olympic, the Paul Dee coached APIA know the pressure is on with so few games left.

APIA historically has an incredible record against Rockdale but the tide started to turn last season with Ilinden winning the last three clashes between these two sides.

Josh Symons has led by example since returning from suspension at the back while the likes of talented youngsters Will Mutch and Matthieu Cordier have been a revelation for the squad.

The elusive Peter Kekeris is someone that needs to be guarded closely while Blake Powell has slowly started to hit the back of the net at the right time.

Looking to stop APIA, and also re-ignite their season, is a Rockdale side that comes into this game after they slumped to a 4-2 defeat to Blacktown City.

It has been hard going for Ilinden for the past five weeks. They have lost their last three games and are without a win since round 11 which has been out of sorts for Steve Zoric's men.

Zoric is desperate to kick his team back into gear after

a mid-season stall which continues to get worse and worse as the weeks progress.

Alec Urosevski is the focal point of Rockdale's attack and he will need to conjure up some magic to guide his side to a much-needed win while the flair and trickery of Japanese import Tomoki Wada will need to be at its very best in undoing a solid APIA back-line.

The visitors will be weary that a midweek FFA Cup Round 7 fixture could play a role in this huge.

This game is one of the fixtures of the round and is set to be a thrilling contest you won't want to miss.

What is your favourite Footballing moment in your personal career? I've got some great memories but going to some Australian camps for certain age groups was awesome to be in the green and gold.

What emotions do you feel when you play well? I would be buzzing and over the moon.

What is the best part about competing? Get to prove something every time your on the field.

What are three reasons you like being part of a team sport? Being a part of a team and with a great and nice bunch of guys who are like family. Not in control as much as if you only played by yourself meaning there is more on the line. There is more pressure and risks.

What makes you love the APIA Football Club? The demand for constant success, always drives the players to be consistently at the top.

Who has had the biggest impact on your Football career? I've had a few great coaches that I'm really glad I was able to learn off, such as, Ron Smith, Tony Vidmar, Ray Junna, Milan Milovanovic, Lino Fiorese, Joey Barton, to name a few, all have huge impacts on my career.

What is your favourite training drill? Training game that's the length and width of double the 18 yard box with bouncers either side of the goals, and it's just constant transition from attack to defence with huge combination play.

What one word best describes you? Dedicated.

it's in a natural position and the player didn't move it or anything like that then play on however, right now it's if it hits there hand no matter what the ref calls it.

Who or what is your lucky charm which supported you in your life the most? My mum and dad supported in my life the most.

You are currently playing for a Club which has produced the most Socceroos than any other Football Club in Australia, the most National team captains, and the Club that has had the most players progress from NPL 1 Australia wide into the A-League, with APIA winning over 25 major trophies, not to mention the multitude of honourable achievements since the Club's inception in 1954. What does it mean to play for a Club with such a rich, illustrious and successful history? It feels really good, the pressure is going to always be there as the club want success all the time but I think that's what makes it special and even more demanding, how we always want to be number 1 and we won't settle for anything else, meaning the ambitions of the club as a player drives you to the next level.

What would you tell young Footballers who aspire to one day play for APIA? Keep developing your game to get at a level were you can do things quickly when it matters the most especially in tight pressured areas. The pressure will be on you so you must deal with it and use it to play a unique brand of football that no one else in the league tries to play. Name three people you would invite out for dinner? Ivan Necevski, Tony Adams, Marcello Lippi.

What are you saving up for? House.

What would you do with your last \$20 Put it on red, then ask mum and dad for help.

Manly United 2 – APIA Leichhardt 1 at Cromer Park

A last-gasp header from young gun Jordan Devries snatched all three points for Manly United in a hotly-contested 2-1 victory over fellow finals aspirants APIA Leichhardt at Cromer Park on Friday night.

The young attacker's late heroics ensured Paul Dee's return to Cromer Park was not a positive one and prevented APIA from climbing into the top five for the first time this season.

In a tit-for-tat battle, the sides were level at the interval as Blake Powell's fourth goal of the season cancelled out Luca Kmet's opener.

Rockdale Ilinden 2 – Blacktown City 4 at Rockdale Ilinden Sports Centre

A Travis Major hat trick has helped Blacktown City stretch their lead at the top of the ladder with a 4-2 win against reigning premiers Rockdale Ilinden at Rockdale Ilinden Sports Centre on Sunday.

Blacktown's star striker couldn't be stopped after opening his account from the penalty spot before netting twice more after the interval.

It was City's day with the visitors opening the scoring after only three minutes before Major found his scoring touch ten minutes from the interval.

Rockdale's Zac Sfiligoi was able to keep Rockdale in the contest early when he scored a 10th minute equaliser, however by the time Gauthier scored the home side's second in the 86th minute the match was already lost.

The result cement's Blacktown's position on top of the competition ladder for another week, while Rockdale fall further behind in their premiership defence.

The Viareggio Tournament, officially named the Viareggio Cup World Football Tournament Coppa Carnevale, is a youth association football tournament held annually in Viareggio, Italy and its surrounding areas. Established in 1949, the Torneo di Viareggio is considered one of the most important youth football tournaments in the world.

It coincides with the Carnival of Viareggio, starting on the third Monday of Carneval. The tournament runs for a fortnight, and finishes on the last Monday of the Carnival. For this reason, it is also known as the Coppa Carnevale (Carnival Cup).
