# CLUB WELCOME

---

I welcome everyone to WIN Stadium for our first home game of 2022.

Our communities have experienced hardship with the recent floods and ongoing COVID 19 epidemic. With this in mind, our club is privileged to be able to open the gates for today's match and only request a gold coin donation which will go towards the flood appeal. I thank you for your donation and support.

Being a Wollongong boy and growing up following and watching the Wolves, it is with great pride and honour that I take on the role of CEO. There is much to do but strongly believe the club can achieve its goals.

It is no secret that the Illawarra and football community is crying out for A-League representation. Recent discussions with A-League representatives suggest that the only way this will be achieved in this region is if they see a united football family which is working together. Everyone knows the potential in this region. Now it's time to wake the sleeping giant.

Discussions have already commenced with key stakeholders, and it is with great pleasure that we welcome members of Football South Coast and the Illawarra Stingrays to tonight's match.

After two rounds, our first team sits on three points after a convincing win against Northbridge Bulls FC last Saturday. We are confident of a good attacking performance and three points tonight, so please show your support and be loud and proud.

Our under 20's have started the season undefeated and are looking for three wins on the trot.

Good luck to everyone tonight. I hope you enjoy the match and I look forward to seeing you throughout the season.

Strebrel Delovski

# MATCH PREVIEW

## V SYDNEY FC

Sydney F.C. venture down the M4 road to take on Wollongong Wolves in this Round 3 fixture of the 2022 NPL NSW Mens 1 at WIN Stadium. Since 2017 with seven matches having been played between the two sides, Sydney FC has a goal per game of 1.57 from eleven goals scored while the Wolves have scored twenty-two with a ratio of 3.14. The clubs first met in competition in Round 11 2017 with Sydney FC winning 2-1 with William Mutch scoring two (SFC) together with Patrick Antelmi (WW). This match-up should be a stimulating situation at Albert Butler Park.

### THE OPPOSITION TODAY - SYDNEY FC

Coach Jimmy Van Weeren has brought some new players to the fold including Ben Gibson and Harry Aquilina from Manly United, Zachery Sapsford from Hakoah Sydney City East, Northern Tigers' Kealey Adamson, APIA's Dejan Bakrdanikioski and Alen Harbas and Bailey Jacobs from Blacktown City. Seven players have departed.

One of the Honours of this Sydney FC team was winning the NPL Mens 2 Championship in 2016. Coached by Robert Stanton, a former Wolves Championship winner as a player, Sydney FC Youth defeated Western Sydney Wanderers Youth 4-1 with goals by Bai Antoniou, Christopher Arditti, Juan Zapata and Charles Lokoli Ngoy. Mitchell Evans, Brendan Curtis, Liam McGing, Nicola Kuleski, Daniel Araujo, Andrea Agamemnonos, and Matthew Green comprised the team together with the goal scorers. Sam McIlhatton, Daniel Maskin and Emmanuel Gonzalez replaced Antoniou, Agamemnonos and Lokoli Ngoy respectively.

In the Rounds 1-17 in the 2021 aborted season Sydney FC was in twelfth position from three wins and five draws. The team scored twenty-nine goals with only three teams with higher tally. The team conversely conceded forty-four with a goal difference of minus fifteen. The top scorer was Adrian Segicic with four and sixteen players plus an own goal contributed to the scoring. The team only neglected to score on three occasions which was the second lowest amongst all teams. The least impressive defeat was 1-5 in Round 13 and the best victory was 5-1 in Round 15. The best sequence without loss was two matches in Rounds 3-4 - win and draw and draw, and win in Rounds 14-15. The worst losing sequence was

four, Rounds 8-11. Heward-Belle, Adrian Segicic, Harry Van Der Staag, Patrick Wood, Luke Ivanovic and Jake Girdwood-Reich were appointees in the NSW Team Of The Week at various stages through the seventeen rounds. The goal per game ratio was 1.7 and the win/loss ratio was 0.25.

In the last four seasons (excluding 2021) Sydney FC has finished in 11th, 12th, 11th and 5th position.

### THE MATCH-UP

At the present time, the top scorer for each team is Lachlan Scott (WW) and Jaiden Kucharski (SFC) and Zac Sapsford (SFC) with two goals apiece. Sydney FC and the Wolves occupy second and fourth positions on six and three points respectively. Each team has scored four goals with Peter Simonoski and Zac Sapsford the latest scorers.

The best result for each team against each other is 6-1 to the Wolves in 2017 and 2-1 to Sydney FC also in 2017. Most goals scored in a single match was eight, a 5-3 win to the Wolves in 2021. To date forty-two goals in total have been scored in eight matches with a 5.25 goal per game average.

The previous result was 4-0 to the Wolves over Northbridge Bulls and Sydney FC defeated Marconi 1-0.

### PLAYERS TO WATCH

Leroy Jennings (WW) looked likely to score versus Northbridge only for the custodian to thwart him on three occasions. Being close will help his confidence and Sydney FC may feel his sting. He gets himself in good scoring positions and he provides goal scoring assists when he links up with the strikers. He is a pinpoint free kick specialist and has scored goals from distance with mighty strikes.

Clayton Taylor (SFC) provided assists for his strikers to convert on two occasions in Round 1 and his overall play is impressive. He will endeavour to feature this aspect of his play for the benefit of his team ongoing and the Wolves will be wary.

### BLAST FROM THE PAST

In 2019 the Wolves line-up at WIN Stadium was Justin Pasfield, Taylor McDonald, Nikola Djordjevic, Ben Tosi, Chris Price, Thomas James, Takeru Okada, Harry Callahan, Nick Littler, James Stojcevski and

Lachlan Scott. Guy Knight, Bul Juach and Stefan Dimoski replaced Tosi, Callahan and Scott. Sydney FC comprised of Thomas Heward-Belle, Thomas Fay, Patrick Scibio, Harry Van Der Saag, Guiseppe Tilio, Ryan Teague, Paolo Bonnamim, Callum Talbot, Benjamin Koop, Jake Holliman and Anton Mlinaric. Luke Ivanovic, Jaiden Kucharoski and Caleb Niewenhof. The respective coaches were Luke Wilkshire and Jimmy Van Weeren.

In rainy conditions Heward-Belle tipped a Nick Littleler header from a James Stojcevski corner kick over with a good save. Not long after, Pasfield was forced into a save to deny Holliman from a Koop set up. Later Tilio went wide with his effort following impressive work by Teague and Fay. It was six minutes on from the half hour that the Wolves edged in front through James. The English striker arched his back to connect and project his header in from a Callahan cut back lifted pass. It was 1-0 at half time. Heward-Belle in the early part of the second half denied Scott and Price and Pasfield thwarted a Tilio effort before Okada powered the ball in after a Sydney player headed a Stojcevski pass. The ball fell into the path of Okada and did the damage. Callahan and McDonald had chances to increase their team's advantage. However, when Scott provided an incisive pass to Callahan who was subsequently brought down as he burst into the penalty area. James took the spot kick but the custodian kept it out. However, he could not hold the ball and Scott gained possession to ultimately tuck the ball home. With six minutes left on the clock, James flicked the ball into the goal from a Stojcevski pass. Later, substitute Bul Juach hit the post in the final minutes and unluckily the ball stayed out. However, the Wolves had prevailed in this encounter. Pasfield –'the first half was a bit frustrating because we are coming up against a time like that and they are boys and are very well structured and hard to break down. The intensity was not there in the first half and we steeped it up a notch and they came undone.' Coach Luke Wilkshire - 'I was not happy with the first half. We were slow and sloppy and did not execute what was required. ... But in the end our second half was so much better.'

## **TWO SELECTED GOALKEEPERS FOR SYDNEY FC - TIM HEWARD-BELLE and DURO DRAGICEVIC.**

Heward-Belle has been the custodian for the team since joining the Mens 1 competition in 2017 and at time been called upon in the A-League side. He has made thirty-nine appearances for the NPL side. He played a couple of A-League games with Central Coast Mariners in 2015/16 season was then in the CCM Academy side making sixteen appearances in 2016. He has made his presence felt in the Mens 1 competition.

Dragicevic played against the Wolves in Round 14 in 2018 and was back up custodian to Heward-Bell for several seasons at Sydney FC. In 2019 he went Gold Coast United for two seasons before moving to Brisbane City FC in 2021. In the Wolves match, he made some telling saves, coming off his line quickly to defuse attacks and went down to keep the ball out.

## **THREE SELECTED GOALKEEPERS FOR HAYDEN DUROSE, TOM HAMILTON and GEORGE BOUHOUTSOS.**

Durose is the incumbent custodian at the Wolves in seasons 2020, 2021 and 2022. In the 2021, he saved a couple of failed attempts at penalty conversions to keep his team in the hunt. He began his first grade appearances in 2011 with one start and one off the bench. In the 2011 cup versus Bankstown –'I did my best and the boys fought well, I had to my job as well as they did. I was pleased with how I played and it was full debut for the Wolves.' He was mentioned in the NSW Team of the Week in 2021 on three occasions for his consistent and impressive performances. Following the 2021 Round 5 Northbridge Bulls last minute defeat, a match in which he enacted a penalty save he stated

– ‘It was good to be able to help the lads out. I just had a feeling really that he would go that way. I stuck to it and it paid off...We lost a bit of concentration and fatigue and that left that man unmarked and unfortunately with that last cross it went in.’ In 2022 he made the ‘Team Of The Week’ in Round 1 after his top line performance.

Hamilton began his first career in 2012 making a Cup appearance. Three league and one-cup appearance followed in 2012 by ten league and four cup games with three starts and one off the bench in 2013. 2015 saw him playing two league and four cup games.

Three seasons was the tally for Bouhoutsos for the Wolves in 1989, 1989/90 and 1990/91 seasons for a total of thirty-three appearances. His debut was in Round 15 versus Blacktown City and a clean sheet was achieved.

#### **SELECTED REPRESENTATIVE OF BOTH CLUBS - ROBBIE MIDDLEBY and HAMISH LAMBERTON.**

Midfielder Middleby played for the Wolves in two stints from 1994/95 seasons to the 1995/96 seasons and again in the 2001/02 season amassing fifty-four appearances, which includes six as a replacement. He scored three goals in all with his initial one in the 1994/95 season in Round 5 versus West Adelaide. With Sydney FC, he played from 2005-09 making sixty-seven appearances over four seasons with a further three goal haul. His first for Sydney was in

Round 2 in the 2005/06 season with a headed goal in the 90th minute.

Lamberton was a Wolves player who was besieged by injury during 2020 and has certainly made up for lost time in 2021. ‘It was a very long year.’ In 2021, he has made seven appearances in the team with one goal. He scored in the Mount Druitt Town Rangers match, which was his first goal for the club, and first in this game. Lachlan Scott had worked his way down the left leaving a Mt Druitt defender in his wake. Meanwhile Lamberton was running forward at the same time and received Scott’s pass. With cool composure he slotted the ball beyond the attending custodian three minutes following the half time resumption of play. ‘It was first goal for the club and it was a long time waiting and I couldn’t be happier.’ However, he has since left the club in the transfer window. He since departed the club, and not seeing out the seventeen round 2021 season. With Sydney FC he played six games in 2018 and seventeen in 2019 with a four-goal haul. He scored his first goal in Round 5 in the sixty-fourth minute versus Mt Druitt Town Rangers, being selected in the ‘Team Of the Week’ as a consequence of his impressive performance.

### **GOAL 1 – TAYLOR McDONALD v MANLY UNITED in Round 2 at WIN Stadium, Wollongong.**

Fellow defender Darcy Madden put a high ball over the top to his left into the penalty area. The Wolves attacked with Lachlan Scott picking up an errant Sydney FC pass, before placing a good pass to Darjani forward and to the right. This was his first club goal.

**GOAL 11 - LACHLAN SCOTT v SYDNEY FC in Round 10 at Ilinden Sports Ground, Rockdale**

Nav Darjani pressurized a Sydney FC player before getting a foot in to get the ball to Scott. With the ball bouncing a little Marcus Beattie was close at hand and put the defence in two minds. **GOAL 16 - LEROY JENNINGS v SUTHERLAND SHARKS in Round 11 at Albert Butler Park**

**GOAL 17 - LACHLAN SCOTT v ROCKDALE ILINDEN in Round 12 at Albert Butler Park**

After Liam Wille had brought the ball up field, a Lachlan Scott through ball was picked up by Jennings. He, in turn, burst into the box with the Rockdale custodian venturing out. ## NEW BOYS IN TOWN

Two Japanese players and two others are the new boys for the 2022 season Mens 1 Premier League, a season which hopefully will complete twenty-two rounds after the two previous seasons were shortened and aborted due to the Covid pandemic. Four other signings are new also, but these players have turned out for the club in previous seasons. However, all these players are new to play for the Wolves in the NSW Mens 1 NPL even though a number made appearances in the Sydney FC Friendly and in the FFA Cup versus Central Coast Mariners played late in 2021.

### BANRI KANAIZUMI

Former Rockdale Ilinden defender who played in Japan with Tiemo Hirakata, a club in Osaka prior, played seventeen times for Rockdale in 2021. As a defender, He is composed on the ball with precision passing and reads the play well. He made his debut with the Wolves in the Sydney FC friendly and played in the Cup match. His Mens 1 debut for the club was in Round 1 in 2022.

### KUOT MALIET

Maliet previously played for Blacktown Spartans, Bonnyrigg White Eagles Sutherland Sharks in the youth grades. However, he did play an FFA Cup match with the Spartans and scored on his debut at this level. In the matches that he has played for the Wolves, his speed on the ball has caused consternation in the opposition defences. He is sharp with his shooting and has a good first touch and it won't be long until he goals for his new club. His Wolves' debut was in 2022 Round 1.

### TAKUMU TSUJIMURA

Attacking midfielder player Tsujimura has signed for the Wolves after leaving Mt Druitt Town Rangers. He had originally come to the Rangers from Tarrawanna in the IPL. In 2021, for the Town Rangers, he played fifteen times, scoring twice, with goals being achieved against Marconi Stallions and Northbridge Bulls in Rounds 9 and 11. He is an industrious midfielder with a high work rate and attacks at will. His debut was versus Sydney FC and his Mens 1 debut was in Round 2, 2022.

### SENNA STEVENSON

Stevenson formerly played for Sydney Olympic and Sutherland Sharks in youth teams and played for the Wolves in the Under 20s in 2021. He is a midfielder who played his initial game in Round 1 away against Sydney United 58. He showed enterprise on the field and showed his style of play to good effect in the midfield against the strong Sydney United team. He gained experience playing against Sydney FC in 2021.

These following players are new to the team in 2022 but all have had prior stints in the red and white.

### GUY KNIGHT

A former captain who last played in the 2020 season and has been at Bulli in between is back to show his guile and impose himself on the play from the midfield. His form in the two seasons that he played was second to none. He is now the 2022 captain. He was unavailable against the two A-League clubs but was there in spirit. He has made his good impression in the two 2022 Mens 1 rounds to date.

### NICK LITTLER

From a season with Bulli in the IPL in 2021, Littler is back to anchor the defence with his consummate defensive capabilities since leaving in 2020 and will renew his partnership with Nikola Djordjevic which conquered all in 2019. He is a consummate and very experienced central defender with effective tackling. He plays out from the back with ease and his long passes are generally well directed. He is safe. He played against the Sydney FC and the Mariners late last year. He has scored seven league goals and one-cup goal for the Wolves. His debut Wolves' goal was a cup goal in 2010.

### JOSH MACDONALD

Former Central Coast Mariners, Sydney United and Wollongong Olympic wide attacking player Macdonald is back with the club since his last season in 2017. The ball-playing striker scored three goals in his 2016 and 2017 stints and has already added to this with a goal against Northbridge Bulls in Round, 2022. He will be eager to add a few more.

## PETER SIMONOSKI

From Sutherland Sharks, striker Simonoski has returned for his first Mens season since leaving following the conclusion to the 2018 season after he scored a hat trick in the final Marconi game. He is consummate striker who knows where the goal is. He was on the scorer's list in Round 2. He also played

in the two matches against A-League opposition in October and December. He has previously scored forty-two league goals with a further eight in cup competitions and his debut goal was in 2009.

These players will strengthen the side and will stiffen the resolve that was in evidence in previous seasons.

## THE WAY THEY PLAY - 2021

Players through their deeds and performance are selected in the NSW NPL Mens 1 'Team Of The Week'. These are those players from the Wollongong Wolves who have impressed.

### **ROUND 2 - TAYLOR McDONALD v Manly United at WIN Stadium, Wollongong.**

McDonald began the season where he left off in 2020 with a NSW state jumper and good form. In this match he scored a very late goal to earn his team a share of the points. Darcy Madden had flighted the ball into the box. McDonald was there to gain control before coolly under pressure pushing the ball home past the despairing custodian. In addition, McDonald was a tower of strength in defence and made numerous forays up and down the right corridor aiding and abetting his teammates as they built up their attacking options. He is strong in the air and shows great anticipation with his timely interceptions.

### **ROUND 3 - LACHLAN SCOTT v Mount Druitt Town Rangers at Albert Butler Memorial Park, Kemblawarra.**

As captain of the team, Scott leads by example and as well as garnering a goal in this fixture, he assisted in another. He scored in the seventy-first minute when his first time shot flew into the goal inside the near post. Fletcher McFarlane had slotted the ball to his right for Taylor McDonald. He in turn lifted the ball into the middle after taking a few steps. Scott met the ball and chalked up his first strike of 2021. For his earlier assist, Scott progressed down the left eluding a defender with deft skill before sending the across to Hamish Lamberton who duly converted. Scott runs at the defence to cause uncertainty and consternation and is always in motion. He never shirks his defensive role and he has good vision and anticipation.

### **ROUND 5 - HAYDEN DUROSE v Northbridge Bulls at WIN Stadium, Wollongong.**

Custodian Durose was in fine fettle between the goal posts as he repelled the opposition time after time until they sneaked one late. He saved a penalty kick with great precision, going the correct way and palming the ball away to safety. He scrambled well, getting the ball off the line a couple of times

and made a number of top line saves. Despite the defeat, Durose was a shining light for the team.

### **ROUND 6 - DARCY MADDEN v Marconi Stallions at Marconi Stadium,**

Now central defender and captain, Madden was a tower of strength at the back for his team and in attack. He scored a goal to pull one back to bring hope and morale back into the squad who were down at the time. A short corner was taken with the ball being met by Madden inside the box to the right of centre. He swept the ball into the goal with a grasp by the custodian failing to keep the ball out of his domain. Later, he was up for a corner kick and projected his header forward to keep the pressure on the Marconi defence.

### **ROUND 7 - TAYLOR McDONALD v SYDNEY UNITED 58 at Sydney United Sports Centre, Edensor Park.**

Shining out for his team in a scoreless draw, McDonald's consummate crossing gave the team's up front players opportunities to have strikes to change the scoreboard. He provided an enticing cross into the penalty area for a Lachlan Scott shot early on, and later gave Van Elia an occasion to chance a header that went directly to the United custodian. McDonald surged down the right on many occasions attempting the set his team alight.

### **ROUND 9 - HAYDEN DUROSE v APIA LEICHHARDT at Lambert Park, Leichhardt.**

The custodian was continuing his fine form when he was called into action in the very first minute of play in this encounter after a seemingly innocuous tackle led to an awarding of a penalty kick. Durose, who had saved a spot kick earlier in the campaign, was facing the first penalty since. He waved his arms around as the kicker was readying himself, before the kicker projected the ball to the left side of Durose. However, the goalkeeper dived the correct way to push the ball further to the left. Immediately, the ball was sent back in and Durose showed his mettle with another top notch effort to push the ball over the bar. Durose denied a number of APIA's attacking options from entering his domain with a steely performance blocking, and athletically moving to stifle, as an impressive custodian should.

---

### **ROUND 10 - NAV DARJANI v SYDNEY FC at Ilinden Sports Ground Rockdale.**

In this match Darjani was impressive with his ball distribution and his go to style. He is sound in winning tackles and scored his initial goal for the club in the thirty-sixth minute. Lachlan Scott had played a pass to Darjani and he blasted the ball into the top of the goal. Another ace in his armory are the enticing corner kicks that he sends in.

### **ROUND 11 – LEROY JENNINGS v SUTHERLAND SHARKS at Albert Butler Park, Kemblawarra.**

Jennings was deadly on goal with his treble strike. His first for the club and second for the match was a free kick about thirty metres straight out from the Sutherland domain. He let fly and the ball zoomed in on target, lodging in the right side of goal (from Jennings viewpoint). For his second, Liam Wille slotted the ball back to Jennings positioned on the edge of the penalty area. He took a touch before dispatching the ball with power and direction high into the top right corner. Jennings began the quick movement with a pass to Lachlan Scott. In the centre dragging a defender with him, he audaciously produced a strong back heel that found the rampaging Jennings. He attained a hat trick by pushing the ball in between the right goal post and the custodian.

Besides the goal scoring, Jennings was impressive in all his play. Defence splitting passing, intercepting play, running at the opposition when in possession all contributed to his performance.

### **ROUND 11 - BRENDAN GRIFFIN v SUTHERLAND SHARKS at Albert Butler Park, Kemblawarra.**

Midfielder Griffin was part of the Wolves' engine room. His high energy work rate was second to none, adding to the team's dynamics with his interceptive and ball winning action, his passing vision, his setting up of attacking forays and his running of angles with the ball at his feet.

### **ROUND 13 – LEROY JENNINGS v MANLY UNITED at Cromer Park, Dee Why.**

Jennings was a thorn in the side of Manly United with his forward runs and shots on target together with his acute passing to set up supports. He scored in

the thirteenth minute with a curling shot that eluded the custodian for the team's initial goal. Later he provided the assist to set up Liam Wille's first goal for the club.

### **ROUND 13 – HAYDEN DUROSE v MANLY UNITED at Cromer Park, Dee Why.**

Custodian Durose saved his third penalty of the season in this match to deny the spot kicker with his eye on the ball and his distribution from the between the sticks was first class. His display was consummate with his reading of the game, smothering a Manly effort early on by diving at the feet of the attacker. He took high and low shots with the requisite skill and precision to keep his domain mostly intact and safe, though he could not prevent the follow up shot from his penalty save. He was impressive to say the least.

### **ROUND 17 - LEROY JENNINGS v NORTHBRIDGE BULLS at SYDNEY UNITED SPORTS CENTRE, Edensor Park**

Being a free kick specialist of a high order, this one of Jennings' skills shone out in this match. His pinpoint free kick from outside the penalty area to the right of centre was swung to the far post in the eighty-ninth minute. Stefan Dimoski ran in and rose to meet and subsequently score. Jennings' work rate is high with his off and on the ball running, his passing is true and he wins his share of tackles.

He scored a brace in this match and this is the second occasion that he has been a multiple scorer in a single match this season. His well-taken goals in the fifth and forty-seventh minutes went along way to keep his team in the match. From the edge of the box, his right-footed effort was curled into the goal for his first. He slotted the ball between the custodian's legs as he attempted to secure his domain, to achieve his brace.

### **GOAL OF THE WEEK**

### **ROUND 11 NOMINATION AND WINNER - LEROY JENNINGS v SUTHERLAND SHARKS at Albert Butler Park, Kemblawarra.**

Leroy Jennings' free kick conversion from approximately thirty metres directly out from the target was adjudged the 'Goal Of The Week' Round

11. With a Sutherland defensive wall in the penalty area arc, Jennings dispatched the ball with his right foot following his five step run up. The ball was perfectly delivered. It cleared the wall and dipped slightly as it evaded the diving custodian, lodging into the custodian's left side of the goal for a wonder strike and one to savor.

**ROUND 16 NOMINATION – LEROY JENNINGS v NORTHBRIDGE BULLS at Sydney United Sports Ground, Edensor Park**

A cut back pass by Lachlan Scott allowed Jennings to produce a first timed sweeping shot that flew into the goal from his position on the right side edge of the penalty area.

*By Malcolm Rowney*

Paul Mariner, Ipswich Town striker and legend, an English international and in addition a Wollongong Wolves guest player, passed away in England on July 9, 2021 at the age of 68 from brain cancer.

As an international player with the Three Lions, Mariner appeared thirty-five times from 1977 to 1985 and tallied thirteen goals for his country. He played at the 1982 World Cup and was in the Ipswich Town team, which won the FA Cup in 1978 and UEFA Cup in 1981. With this club, he played three hundred and thirty-nine times scoring one hundred and thirty-nine goals with a goal per game ratio of 0.41. Other clubs he turned out with include Plymouth Argyle (before Ipswich), Arsenal and Portsmouth (post Ipswich). At Plymouth his record was sixty-one goals from one hundred and fifty-five appearances. In addition, he scored in the World Cup in Spain in 1982 when England defeated France 3-1. Previously in the final qualifying World Cup match against Hungary, he scored to secure England's qualification. He also went close to scoring in the FA Cup final when his powerful shot struck the Arsenal goal frame.

Another goal for Ipswich was in the two-legged UEFA Cup final versus Holland's AZ Alkmaar at Portman Road. It was the third of his team's three goals. Alan Brazil (also a Wollongong Wolves guest player in the same year) crossed with the outside of his left foot from the left side. Mariner met the ball, guiding it slickly into the goal. Ipswich went on to win the Cup 5-4 on aggregate. Mariner and Brazil had a unique and truly successful partnership at Ipswich Town, which went along way to assist this top-notch team and the best team in the Ipswich Town history.

Club benefactor Harry Michaels brought Mariner to the Wolves in 1988. He subsequently played only two games in the red and white, at home at Brandon Park on the 9th May against Sydney United in Round 14 and away to Preston at Connor Reserve on 16th May in Round 15. Unfortunately he could not get on the scoresheet as the team lost 3-0 when a crowd of 4755 turned up to watch Mariner. In the subsequent fixture, the team posted a 1-1 draw. He later played with Albany Capitals and San Francisco Bay to conclude his playing career from 1989 to 1993.

Following retirement from playing, Mariner coached in Japan, and in America with New England Revolution as an assistant coach to former Liverpool and Scotland defender Steve Nicol. He returned in England with Plymouth Argyle. Following this stint he was back in North America in the MSL with Toronto FC and followed into punditry on television, in both the USA and the UK.

Mariner as a player was composed and strong with a powerful presence when in the air for headers or on the ground. He had skill, flair and pace to use against defenders in equal measure to showcase his great ability.

One of his final acts was watching from his hospital bed watching the European Championship matches decked out in his England shirt with his family in attendance.
